

# Teacher of Business and/or Economics (High School)

Required: July 2025

Singapore School, Pantai Indah Kapuk, Jakarta seeks an enthusiastic, creative and dynamic teacher of the highest quality to join our successful team. We are a successful, happy and nurturing school committed to providing the highest quality standards of educational opportunities for every student. Academic standards are high, and our graduates go on to take places at the world's top universities. Our High School follows the Cambridge IGCSE, Pearson BTEC and International Baccalaureate Diploma Programme. Our IB Diploma average is consistently above the world average.

Applicants should possess a commitment to helping students achieve high academic standards in a lively and engaging manner, through the Cambridge (IGCSE), BTEC and/or IB curricula. SIS-PIK is highly committed to business education. Currently, the school offers BTEC Level 2 Business, IGCSE Business Studies, IGCSE Economics, BTEC Level 3 Business and IBDP Business Management. Many of our families are business owners and entrepreneurs.

For experienced candidates, there may be the opportunity of a middle-leadership role.

## **Successful Candidates will:**

- Have a teaching certificate, with at least 5 years' post-qualifying experience;
- Have experience teaching one or more of the following: British National Curriculum/ IGCSE, BTEC and IB;
- Have the enthusiasm and ability to lead a young Entrepreneurs programme;
- Be able to inspire the business leaders of the future;
- Be willing to engage in Continuous Professional Development to improve practice;
- Possess a creative and enthusiastic approach both in and out of the classroom;
- Have a professional level of clear spoken and written English, which is the language of instruction;
- Present excellent IT and interpersonal communication skills to work closely with staff, students and parents, and;
- Be highly organised with an eye for detail.

Experience in IB Business Management, BTEC Level 2 or Level 3 Business, or IGCSE Economics is an advantage.

If you are a positive, energetic and dedicated practitioner as well as an excellent communicator who is resilient and tenacious in all aspects of your teaching practice, we would like to hear from you.
