## The School

---

Ipswich High School is a leading independent school in Suffolk, proudly educating hundreds of pupils between the ages of 3 - 18. The school has long enjoyed a high profile across the region, and is much respected for both its academic success year-on-year, and for its superb pastoral care and enrichment activity. With feeder schools spread across East Anglia, the school typically sees its greatest demand for places from the counties of Suffolk, Essex and Norfolk.

Founded in 1878, the school has been at its impressive home in Woolverstone, near Ipswich since 1992. We have an 84 acre campus and make use of our superb natural and inspirational surroundings.

The school is renowned for its academic excellence, including some of the strongest GCSE results in the region, yet remains a uniquely warm and nurturing community underpinned by incredible pastoral care. Teaching staff contribute to our extensive Enrichment Programme, which includes the Duke of Edinburgh scheme and World Challenge.

At this exciting, transformative stage in the school's history we have begun to admit boys throughout the school via a Diamond Model approach and will soon be opening a boarding house, allowing us to reach a wider market.
