APPLICANT INFORMATION

ABOUT WINCHESTER COLLEGE

Winchester College is a boys' boarding school of 700 pupils aged 13 to 18 years. It was founded in 1382 and is one of the world's oldest and most prestigious schools. It is rich in ancient heritage, set beside the River Itchen on the edge of a National Park, within the beautiful and historic city of Winchester.

Academically, Winchester is among the very best boys' schools in the country and is sought after for its combination of superb teaching, pastoral care, sport and co-curricular activities.

At all levels Winchester encourages pupils to look beyond the curriculum. Boys in the sixth form generally study three Cambridge Pre-U subjects; these offer a rigorous academic qualification and are an excellent preparation for university study. "Div" is our unique programme of general cultural studies. In these lessons, boys engage with a wide range of subjects, from English Literature to Ancient History to the History of Science.

Music has been central to life at Winchester ever since its foundation, and the school is unique in having maintained its Choral Foundation to the present day. The Music Department is now one of the leading departments in the country, and offers outstanding opportunities to all.

Sport is a major part of Winchester life. There are many fixtures against other schools, and this year the school has begun the redevelopment of sports facilities to create a state-of-the-art complex that will allow all boys to enjoy and participate in a variety of sports, whilst simultaneously enabling the most talented and driven boys to train and compete at the highest level.

Much energy is also invested in the Combined Cadet Force, the Duke of Edinburgh Awards, Community Service, and in links with local primary and secondary maintained schools. This commitment provides boys with many opportunities to work for the benefit of others, inside and outside the classroom, developing the knowledge and skills, and the rights and responsibilities, which will enable them to grow into valuable and productive members of society.

Boys eat all meals in their boarding houses, talking with their housemaster, and interacting with friends, visitors and teachers. We believe that conversational ability, developed both inside and outside the community, equips boys to talk to anyone, about anything, in practically any situation.

This unparalleled combination attracts pupils from across the world, making Winchester a truly international community which celebrates every pupil's individuality, passions and potential.

“Winchester is a place where you can make things happen”

THE GRADUATE TRAINEE TEACHER (JUNIOR FELLOWSHIP) SCHEME

The Winchester College Graduate Trainee Teacher (Junior Fellowship) scheme is an exciting opportunity for graduates considering a career in education.

The Junior Fellowship is offered annually on a fixed one-year basis to recent university graduates and has been designed to provide aspiring teachers with the support and training they need to become excellent practitioners both in and outside the classroom.

As well as offering a constructive and practical first step into the world of teaching, the scheme offers an all-encompassing experience of school life in an independent boarding school.

Outside of the classroom, Junior Fellows support one of our eleven boarding houses and get to know the boys in a different environment. Extra-curricular involvement will depend on expertise. We have a vast range of sport and cultural activities taking place throughout the week, as well as an extensive trips programme during the holidays in the UK, Europe and further afield.

As a Junior Fellow at Winchester you will:

- teach your specialised subject on a reduced timetable
- observe a wide range of lessons
- offer individual support to pupils who require it
- regularly meet with your subject mentor who will provide feedback and help develop your knowledge of teaching
- enjoy a programme of continuous professional development
- have pastoral responsibility in one of our boarding houses
- participate fully in our co-curricular programme

We offer:

- the opportunity to learn in one of the world's most respected schools
- the opportunity to work with able, articulate and enthusiastic pupils
- the opportunity to develop key skills and subject knowledge
- a salary of £24,000
- accommodation
- all teaching staff are provided with a Microsoft Surface laptop
- generous pension scheme
- lunch and evening meals
- free membership to our sports and gym facility

Many of our Graduate Trainees go on to complete their formal teacher training qualifications either by gaining a full-time post in the school, or by using the experience to secure a place on a recognised course elsewhere.

Successful candidates will have:

- an excellent degree in their chosen field (we have no preference for a particular subject)
- excellent communication skills
- the ability to use their own initiative and act as a good role model
- a willingness and skill in sport, music or art to contribute to the wider life of a boarding school
- a cheerful and willing approach with a flexible and ‘can do’ attitude

“I came to Winchester after several years teaching at Oxford University: in some ways it wasn’t a huge change – the buildings here are just as historic and beautiful and the pupils are just as bright and stimulating”
