## TEACHER OF ART

**Please find enclosed:**

- **Letter from the Head of School**
- **Job Description**
- **Person Specification**
- **Department Information**

## **Welcome from the Head of School Natalie Chamberlain**

Hailsham Community College is an all through school serving 1,500 students in the secondary phase and approximately 300 students in the primary phase. In the early part of 2018, we were approached by the Local Authority to provide a new Primary and Pre-school provision within the town. In September 2019 we opened a brand-new school approximately a mile from the Secondary site, thus extending the designation of the Trust to a 2-19 all-through school.

By way of an introduction, I was appointed as the Head of School for the Secondary phase of Hailsham Community College in June 2023. I have been a part of the Senior Leadership Team since 2014, and as such I am in the unique and privileged position to know our school and community extremely well. I am proud to now be leading our school that serves our vibrant and diverse market town. Our students are amazing young people and deserve the very best education. Whilst the college has experienced a significant period of change and at times turbulence post COVID, we are now on a journey of rapid improvement.

Since our last Ofsted inspection in March 2023, there have been some important changes that have taken place across the secondary phase of the college, including changes to our leadership structure, a revised pastoral structure to ensure we are providing effective support to our students, and a renewed focus on the quality of education and curriculum implementation.

As of September 2023, the college is also being supported by MARK Education Trust, which is formed of two other local schools (Beacon Academy and Uplands Academy). We are choosing to work with MARK Education Trust as both Beacon Academy and Uplands Academy are based in East Sussex and like us, the Trust believes in the importance of schools retaining their unique identity whilst working in partnership. There are many benefits that this will bring to Hailsham Community College, as these links will support us in building on excellent Teaching and Learning throughout the college and will enable us to provide further support for our students as we build capacity and make efficiencies. Our aim is to establish a formal partnership with MARK Education Trust during this academic year.

The role of Art Teacher is a fantastic opportunity for an enthusiastic, skilled individual with a proven track record to join our dynamic team and make a positive impact on the future of the college. The subjects within the department are popular throughout all key stages, and this vacancy provides the right candidate with the opportunity to build the department further.

At Hailsham Community College, we know that relationships between staff, students and our wider community are pivotal to our success. We ask that our staff have high expectations, are ambitious for our students, and that they know them well. We pride ourselves on our rigorous focus on the child as a unique individual, including our most disadvantaged and those with SEND. We want to ensure that the lessons that our students receive are personalised and inclusive, enabling them to be actively engaged in their learning.

We want our students to be happy, successful and confident by providing the best possible education for all our students. Whilst academic success is fundamental, at Hailsham Community College we also realise the importance of supporting student wellbeing and providing our students with an education which enables them to develop key social and emotional skills which will give them the foundations for success in the working world. For this reason, our curriculum for our students is rightly ambitious - it is as broad as it is balanced, which was recognised during our most recent Ofsted inspection. Our curriculum is planned to enable students to develop keen interests, a lifelong passion for learning and an impressive, coherent, and cumulative understanding of the world. We have been nationally recognised for our CEAIG provision and strongly value the principle of raising student aspirations through education and experience.

We support our whole community through one consistent message that we refer to as 'The Hailsham Way'.

- **Be Ready** – we expect our students to attend college, be punctual to lessons and present themselves well, both when in college and within the community.
- **Be Safe** – we expect students to conduct themselves in a way which keeps themselves and others safe at all times. We have a strong safeguarding culture and safeguarding at the college is everybody's responsibility.
- **Be Working** – we expect our students to actively engage with their learning. Our teaching and learning principles focus on 'clarity' (making the learning aims and reasons clear), 'thinking' (ensuring students are given time to apply their knowledge and skills) and 'checking' (ensuring students are assessed appropriately to check understanding).
- **Be Respectful** – we expect students to show respect to themselves, to others, and to our environment. We regularly talk to students about what this looks like and ask that all adults model this within the college, regardless of what role they play.

I know that choosing a place to work in is one of the most important decisions you will make for yourself and your family so I thank you for your interest in our school and hope that the above information has enabled you to understand a little more about who we are and what we stand for at Hailsham Community College. We encourage you to visit our college for yourself during this exciting new phase for our school.

**Natalie Chamberlain**  
**Head of School**

Job Description	
<b>Job Title:</b>	Teacher of Art
<b>Line Managed by:</b>	Head of Department
<b>Date:</b>	April 2025

## Teaching and Learning

- To have a direct teaching input to all year groups and ability levels where appropriate within the whole-school timetable
- To assist in developing and implementing a whole-school policy for the teaching and learning of Art
- To assist and work with the teacher responsible for this curriculum area (and other colleagues) in promoting excellent standards of teaching and learning
- To help maintain and develop the teaching resources within the curriculum area
- To assume an active pastoral role and to promote and encourage excellent standards of work and behaviour
- To assist with the identification of training needs of both self and others and to contribute to in-service training with particular regard to this curriculum area
- To participate in subject specific testing and assessment of students in all Key Stages and to carry out more detailed assessment as needed
- To assist with an efficient system for monitoring, recording and reviewing the progress within the curriculum area
- To assist in establishing strategies to deal with under-achievement or disciplinary problems within the curriculum area
- To assist with the integration of cross-curricular skills, themes and dimensions both within and outside the curriculum area
- To co-operate with any support services which may be available both within the academy and from external sources paying regard to the role of other staff and their specific responsibilities
- To ensure that appropriate targets are set, monitored and fully reviewed with individual students on a termly basis
- To uphold and develop the excellent standards of care, support and discipline which are crucial to the well-being of the individual students in Hailsham Community College
- To take a lead in their own CPD
- To actively engage in self review as part of Performance Management cycle
- Any other such duty as the Head of School may determine within the remit of the National Pay and Conditions Document or within any other national or local agreement which it may supersede

## Main Duties

- To teach Art throughout the Academy across the age and ability range
- To implement the staff responsibilities as laid out in the Art Department policies
- To assist in the ongoing review and development of schemes of work and assessment maps
- To work closely with the other members of the department and, where required, with colleagues from other departments
- To support the college ethos and Aims & Objectives
- To take on the duties of Mentor
- To adhere to and fully implement whole college policies as laid down by the Head of School and Trustees

### **Communication**

- To attend college briefings, full staff meetings and subject area meetings
- Ensure student information is transferred to appropriate staff

### **Whole College**

- Take on role as mentor within a year group
- Ensure that college policies are fully implemented and followed
- To contribute to fostering a positive college ethos
- Actively support strategies for prioritising excellent achievement based on student prior attainment

*Teachers are expected to undertake any other duty as the Head of School may determine within the remit of the National Pay and Conditions document or within any other national or local agreement it may supersede.*

*This job description sets out the duties of the post at the time it was prepared. Such duties may vary from time to time without changing the general character of the duties or level of responsibility entailed. Such variations are a common occurrence and cannot of themselves justify a regrading of the post.*

## **Art Department – January 2024**

The Art Department at HCC are reflective practitioners. We relentlessly 'tweak' what we do. We work well as a team and share ideas.

As teachers we continually strive to develop the student's love of / interest in the subject, but also their need to treat it as a discipline. We expect students to adopt a professional approach to their studies.

Modelling and demonstration are at the root of what we do in the classroom.

### **Curriculum**

**Key Stage 3** starts with a drawing test against which we judge the student's subsequent progress. Our emphasis at KS3 is to teach students skills that will enable them to generate more sophisticated visual art outcomes. Year 7 is primarily about developing skills and Years 8 and 9 are about expanding those skills and developing ideas. There is an emphasis on drawing as well as experience of a range of media.

**At GCSE** we use the AQA specification in both Art and Photography. Both GCSE courses are successful. The drive is to equip students with skills and then develop their independence through themed projects. Both courses use a mixture of digital and physical media. We are equipped with purpose-built art rooms, with a dedicated Art IT room that runs Photoshop Elements.

**At A-level** we offer the AQA specification in Art, Craft & Design and Photography. Year 1 of the A Levels is exploratory; it starts with a Transition Unit to bridge the gap from GCSE, and then plays out with a series of short briefs designed to enhance skills and promote idea development. Year 2 focuses on the Personal Investigation. This is a student driven extended unit using relevant work from Year 1 and preparatory work produced during Year 2. The lessons are tutorial based consisting of one-to-one conversations with students, helping them structure their artistic development. Year 2 also features an exam with themes set by the exam board.

### **Department Team**

As a department we have a lot of pride in what we do and are continually striving to refine our curriculum and delivery. We are:

Mark Lawrence – Head of Art / Art teacher

Ernie Townsend – Creative Art teacher

Kieron O'Kelly

Sue Catt - Art Technician

If you would like more information or would like to visit the department then please do not hesitate to contact me.

Mark Lawrence

Director of Learning for Art & Design
