High Master

Thank you for your interest in St Paul's School. Appointing the right staff is arguably the most important role of a school leader and the team here are committed to getting to know applicants well during the application process and giving them the opportunity to get to know us too.

I am incredibly proud of my colleagues here at St Paul's – not only their expertise and professionalism but also their warmth and pupil-centred approach. I honestly believe that working at St Paul's provides a unique set of opportunities and is an exciting career move for anyone. Being High Master here is a huge privilege and I hope that you will be as excited about the school and all we do here as I am.

# Welcome from St Paul's Juniors

**Oliver Snowball**  
Head, St Paul's Juniors

I'm delighted that you are interested in working at St Paul's School, of which St Paul's Juniors is a part. We enjoy a reputation for all-round academic, sporting, musical and creative excellence, and we make sure days at St Paul's Juniors are filled with fun and purpose.

The team at St Paul's Juniors is, quite simply, brilliant, and a joy to work with. The staff are innovative and engaging. We promote, nurture and develop the key character traits of kindness, respect, integrity, humility and resilience, and we look forward to welcoming new team members who share them.

# Welcome to St Paul's School

## St Paul's is an independent school offering an outstanding, all-round education for gifted boys aged 7 to 18 years.

We admit highly able, committed and curious boys and care for them in an academic environment tailored to their specific needs, equipping them with the skills to contribute to wider society long after they have left St Paul's. Our entry points are at 7+, 8+, 11+, 13+ and 16+ and admission is following a successful examination process and interview.

Our founder John Colet opened the doors to St Paul's School in 1509 to educate boys "from all nacions and countres indifferently", regardless of race, creed or social background. We are committed to our founder's vision and offer financial support to every boy who is successful in gaining a place at the school on academic merit and fulfils the means-tested bursary criteria. Linked to Colet's vision, we have a wide-ranging partnership programme with schools in the

maintained sector, and charity projects with which all staff are able to become involved, including within our extensive co-curricular programme.

The quality and breadth of a St Paul's education is dependent upon the quality of its staff so we recruit high quality people and look after them well. The atmosphere is relaxed, friendly, supportive and purposeful. Personal professional development for all staff is a high priority, and our pay and package is very generous by sector norms. St Paul's embraces diversity, inclusivity and equal opportunity. We are committed to building a team that represents a variety of backgrounds, personalities and skills.

This is a particularly exciting time to join the school as over the last few years we have

refurbished the senior school site including a new astro-turf pitch, a stunning Drama Centre, featuring the Samuel Pepys theatre, an RIBA award winning Science building and award winning General Teaching Buildings with a central Atrium, John Colet Hall and Chapel, contemporary dining, the Kayton Library and many light airy classrooms overlooking the Thames and playing fields. These modern facilities and the unique positioning of St Paul's, coupled with the structure of the school day, enable the school to offer and unparalleled array of co-curricular activities for the pupils.

We hope that working at St Paul's might be right for you. We are a thriving organisation that draws upon a wide range of different skills, qualifications, roles and responsibilities, whether teaching or other support staff.

For teaching staff, academic excellence is essential and we also look at how individuals will enhance the broader cocurricular opportunities for pupils; this makes St Paul's a great and fun place to work. We are based in Barnes, South West London, surrounded by 45 acres of green playing fields. We offer free parking for staff and are conveniently located near Hammersmith for easy public transport links to central London.

We are dedicated to ensuring the safety and welfare of our pupils and all our employees and volunteers must embrace this approach. All successful applicants will be required to undergo full safeguarding checks, including an enhanced DBS check and safeguarding training.

**Malcolm Cocks**  
CO-DIRECTOR OF CENTRE FOR  
INCLUSION AND CHARACTER  
EDUCATION

Malcolm joined St Paul's in 2021 from Dulwich College and enjoys the rich intellectual life of the school. He is happiest being in the classroom talking about literary texts and the social, cultural, and political questions which they invite. As an inclusion specialist, Malcolm feels inspired in his work by young people who care deeply about social justice. As a new member of the school, Malcolm was particularly struck by the great sense of care and support that pupils and staff create for one another. He sees his role as essentially an opportunity to help foster a culture where diversity is valued and where every member of the school community finds a sense of belonging.

**Nick Arnold**
