13-18	Application Form

St. Olave's Grammar School is a recently OFSTED 'Outstanding' forward-looking selective Church of England school where academic standards are very high, rivalling the best schools in the country; our naturally able and inquisitive pupils are a delight to teach.

The school prioritises the wellbeing, dignity and morale of its staff and pupils, actively investing in professional development as we very much feel that people make our environment.

If you are looking for a new challenge or you are starting your career, then please do come and visit us or explore our website further.

The atmosphere in our School is truly unique – it is a community which is welcoming, caring and inspiring.

Being a member of staff at St. Olave's Grammar School, allows you to access:

- Competitive salaries and pay progression
- Extensive professional development opportunities
- Training grants for qualifications
- A Cycle to Work scheme
- Competitive terms and conditions of employment
- Membership of the staff association, which includes free tea and coffee throughout the day
- School sports facilities and yoga classes
- Choirs and music groups
- Staff Wellbeing programme, including access to medical advice and counselling

# About St. Olave's Grammar School

St. Olave's enjoys a reputation as one of the leading Grammar Schools in the country with a strong focus on scholarship combined with cultural enrichment. We are a Voluntary Aided selective Church of England school which admits 4 forms of entry of boys at age 11, from a wide variety of backgrounds across a broad area of South London, and takes both boys and girls into the Sixth Form. Here you will find a vibrant multi-cultural community of young men and women who respect tradition as well as a dynamic, forward-looking approach. Our students have the very highest aspirations, supported by hard work and commitment; almost all take up places at Russell Group universities and go on to pursue top careers. We are proud to provide outstanding pastoral care, based on Christian values, where each student is valued as a unique individual.

With an outstanding record of academic excellence our A-Level results show consistently around 95% A\*/B grades, placing St. Olave's amongst the very top schools nationally. Over 200 students have gained Oxbridge places over the last 7 years; last year we had 28 offers for Oxbridge and 49 for Medicine, both more than many of the schools in the country can replicate. We try to locate academic excellence within the broader context of education, encouraging all of our students to become independent thinkers, engaging critically in the learning process through a vibrant approach to intellectual curiosity.

Olavians are interesting people who enjoy a variety of cultural experiences alongside their academic pursuits. Sport, Music, World Challenge, Drama, Amnesty International, Duke of Edinburgh's Award, the Political Economy Society, are just a few of the wide range of co-curricular opportunities available at St. Olave's, and we expect every one of our students to get involved in some of these so that their lives are culturally enriched. Our rugby squad recently toured South Africa; Biology students spent three weeks in Malawi doing scientific research with Operation Wallacea; our Economists visited the European Bank in Frankfurt; Art students spent a week in Copenhagen; others visited the sites of Ancient Greece or trekked the jungles, mountains or volcanoes of Honduras, Costa Rica or Tanzania on World Challenge. Our top Chess and Fives teams comprise a number of national champions whilst our budding playwrights have had scripts performed at the National Theatre. Each year 4 choral scholars provide the trebles for The Queen's Chapel of The Savoy – part of the school's rich cultural heritage and a link with its historic origins near London Bridge where it was originally founded in 1561 and later given a Royal Charter by Queen Elizabeth I in 1571.

As soon as you enter the school you cannot help but notice the friendly atmosphere and a deep sense of pride and loyalty. We hope that all of our students will grow into caring, independent young adults with a strong sense of moral and social responsibility.

Mr. A. Rees  
Headteacher

# Information about this role

We are seeking to appoint a well-qualified, enthusiastic and inspirational graduate to join us as Teacher of Mathematics, with the opportunity to teach up to the highest academic levels. The Mathematics and Computing Faculty has considerable examination and university success, with students regularly gaining places to read Mathematics, Computer Science and many closely related courses at top universities, including Oxford and Cambridge.

This position would suit either an NQT, or an experienced teacher looking to further their career. Leadership opportunities and corresponding remuneration are available for the right applicant.

## **Working hours**

Full time from September 2021

## **Salary details**

MPS or UPS, Outer London remuneration

## **How to apply**

To apply for this position, please submit the attached application form, along with a covering letter, no later than **Midday on Friday, 5 February 2021**

Submissions can be made via email to [ttaylor@saintolaves.net](mailto:ttaylor@saintolaves.net) or via post.

## **Enquiries**

Should you have any enquiries, please contact Mrs Taylor, the Headteacher's P.A. at [ttaylor@saintolaves.net](mailto:ttaylor@saintolaves.net)

## **Interviews**

Interviews will take place as soon as possible after the closing date but suitable candidates may be interviewed before the closing date and St. Olave's Grammar School reserves the right to withdraw the position if an early appointment is made.

## **Safeguarding**

St. Olave's Grammar School is committed to safeguarding and promoting the welfare and safety of all students and expects all staff and volunteers to share this commitment. All appointments will be subject to an Enhanced Disclosure and Barring Service check.

## **Privacy Notice**

[The St. Olave's Grammar School Job Applicant Privacy Notice](#) sets out what personal data we the School, hold about you and how we collect and use it during and after the recruitment process. It applies to anyone who is applying to work for us, whether as an employee, worker, contractor, consultant, volunteer, governor, apprentice (together referred to as 'Job Applicant' or 'you').

# Job Description

Wider Professional Aspects</b> <ul style="list-style-type: none"> <li>• To contribute to departmental development, acting upon the direction and feedback of your line-manager or HoD.</li> <li>• To have a creative, collaborative and constructive approach to innovation and be prepared to adapt your practice.</li> <li>• To keep up-to-date with school developments and professional duties, and to carry out a share of supervisory duties.</li> <li>• To be a role model exemplifying the highest standards of classroom practice and professional conduct.</li> <li>• To evaluate your performance and be committed to your own professional development.</li> <li>• To understand the roles of colleagues with specific responsibilities for groups of learners [eg SENCO, Heads of Year]</li> </ul>	

E. To take responsibility for other areas as may reasonably be requested by the Headmaster.

Professional attributes and personal qualities

- A willingness to grasp the Olavian Grammar School ethos of scholarship, excellence and the highest aspirations.
- A good honours degree with a passion for your subject and the ability to share this with students.
- An interest in the challenges and demands of teaching the most able students.
- A proven track record of excellence in the classroom or on a teacher training programme.
- At least two references with recent knowledge, including a referee from the most recent employer/Head-teacher.
- The resilience and stamina to cope with the demands of the job and work to deadlines.
- Good inter-personal skills and the ability to build professional relationships with colleagues, students, parents, Governors and outside agencies.
- A well-developed sense of proportion and humour, with a positive and enthusiastic outlook.
- Personal and professional integrity.
- An interest in the international dimension with a commitment to an integrated multicultural community.
- Willingness to embrace the school's core Christian values.
- Competence in ICT.

St. Olave's is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. All applicants should read the school's Child Protection policy, which is available on our website, and are required to declare any criminal convictions or cautions, or disciplinary proceedings related to young people. Enhanced DBS Checks from the Disclosure and Barring Service will be sought on all successful applicants. Full details are given on the application form.

**OTHER (finance, resources, performance management, staff supervision)**

**General:**

Adhere to the Staff Handbook and all School Policies.

Fully and positively participate in the school's performance appraisal scheme in order to develop and enhance personal and service performance.

Undertake any other reasonable duties requested/assigned as required by SLT or Line Manager.

**EQUALITIES**

**Implementation of the school's equal opportunities policies and its statutory responsibility with regard to other individuals and service delivery.**

<b>2. Agreed by Post Holder</b>		
<b>3. Confirmed by Line Manager</b>		

## The Mathematics and Computing Faculty at St. Olave's Grammar School

Mathematics is an extremely popular subject at St. Olave's, with massive numbers opting for both Mathematics and Further Mathematics in the Sixth Form and a real buzz of enthusiasm for the subject. Outstanding academic results are consistently amongst the best in this very high performing school.

Staff in the Faculty possess talent, skills, enthusiasm and imagination; their energy is rewarded by the satisfaction of working with some of the nation's best and keenest young mathematicians.

competitions.

St. Olave's is also a regional venue for the UKMT Team Challenge Competition, winning the Junior Competition in 2016-17 and regularly competing for the top prize in the National Finals of the Junior and Senior competitions. The department also runs the very successful Maths in Motion Club, while the Mathematics Society hosts weekly meetings and takes part in several annual competitions, such as the Ritangle competition and Maths Feast.

Enrichment and extension is a key feature of our provision. In addition to special STEP and MAT tuition, there has been regular success in National competitions with large numbers of Gold certificates in the Junior, Intermediate and Senior Mathematical Challenges, UKMT. A large number of students are normally invited to participate in the later rounds, with considerable success at a nationally significant level in the Olympiad

### Higher Education progression in Mathematics

The huge student interest in Mathematics and related subject areas translates into the highest aspirations for progression into most of the top universities in the UK and abroad.

**Computing** operates within the Mathematics Faculty with a strong focus on higher order skills, particularly programming, through extended projects that enable our students to develop analytical and problem solving skills. All students in KS3 have a Computing lesson once a week to develop their capability, knowledge of computer science and computational thinking creativity. An extremely popular option at GCSE, Computing is also offered at AS and A Level where recent results show St. Olave's as one of the highest ranking schools for adding value at KS5. We enable students to understand how changes in technology affect safety, including protecting their own online privacy and identity. We encourage them to be able to use and express themselves and develop their ideas through information and communication technology at a level suitable for the future workplace and as active participants in a digital world.

## Meet the staff:

Meera Lawrence	Head of Faculty
Peter Bassett	Second in Faculty (i/c KS4 Mathematics)
Rabia Zeshan	HoD Computing
Joanna Munday	i/c KS5 Mathematics
Eric Roye	i/c KS3 Mathematics
Matthew Ashford	
Ajibola Fasoranti	
Sebastian King	
Robert Masters	
Esmat Pourjam	
Jacob Savage	
Sadinie Senaratne	
Thomas Smialowski	
Polina Vasileva	

## General organisation

In Years 7 and 8 pupils are taught Mathematics in form groups. They follow a standardised scheme of work beginning at around Level 5 of the National Curriculum, using resources designed for the most able students and based on Mastery ideals. By the end of Year 8, staff are able to accurately assess pupils' relative ability and hence Year 9 is usually divided into two parallel higher classes, a middle class and two parallel lower classes – a structure which continues during Year 10 and 11. At the end of Year 9, most students have reached Level 8.

During KS4 all five sets are prepared for the Edexcel GCSE papers. The department is justly proud of its consistently excellent results at this level (98% grades 9-7 in 2019, 96% grades 9-7 in 2018, 99% grades 9-7 in 2017, 99% A\*/A in 2016; with the overwhelming majority of students securing the top grade). In 2018 and 2019 the top two sets sat the Free Standing Unit in Additional Mathematics in June.

The Mathematics Department has experienced significant expansion in recent years due to the popularity of the subject: Mathematics and Further Mathematics are some of the most popular subjects at A level. At present, there are 11 classes in Year 12 and in Year 13. The department follows the OCR MEI specification at KS5. The AS Level sets are each taught by two staff members, with both sharing the pure content and each focusing on statistics or mechanics. At A Level, over a third of the cohort achieve Grade A\*, with around 95% achieving a Grade A\*-B. Very large numbers of students undertake the Further Mathematics course with the key metrics being similar to those achieved in the standard A-Level. Candidates are prepared for STEP and MAT papers in twice weekly twilight sessions, and each year a significant number of students leave St. Olave's to study Mathematics solely or as an integral part of their degree at university.

The Faculty is very well resourced and boasts a dedicated IT suite, iPads and Apple TVs in every room, class sets of graphical calculators and a generous amount of specialist computer software. Staff are encouraged to use IT where appropriate and training is provided in the use of such materials. Twice-weekly Maths Clinics provide additional support for students.

## Wider activity

The Mathematics Faculty is widely known for its weekly STEP and MAT classes. Here students, including those from other schools, are challenged to the boundaries of their understanding as they prepare for the Cambridge Entrance examinations or for entrance to Oxford or other top Russell Group universities. We also run advanced mathematics sessions as part of the year 12 enrichment programme for those keen to explore mathematics beyond the scope of A Level.

### **Looking Outwards**

Involvement with local Primary schools has helped Mathematics to flourish through an annual Year 5 Mathematics Day. Several members of the team work with able students at local primary schools on a fortnightly basis.

The Mathematics Department at St. Olave's is a fervent supporter of the Advanced Mathematics Support Programme (AMSP) CPD programmes, with the majority of the team having attended Teaching Advanced Mathematics (TAM), several having attended Teaching Further Mathematics 1 and/or 2, Teaching Discrete Mathematics or Teaching Mechanics. Colleagues enjoy attending the AMSP National Conferences each year.

We work closely with the AMSP, working to develop excellence in teaching Mathematics through the Bromley Schools Network, as well as hosting competitions such as *Maths Feast*. We regularly host teachers from local schools looking for ideas to innovate their teaching practice.

**Appendix 1: Academic results and comparison with other BASS (Boys' Academically Selective Schools)**

# General responsibilities of a teacher

## **A. Achievement and Standards**

- To be accountable for excellent performance of all pupils within your teaching groups.

## **B. Personal Development and Well-Being**

- To have high expectations of students and be committed to ensuring that they can reach their full potential.
- To understand how the development of young people is influenced by a range of developmental, social, religious, ethnic, cultural and linguistic influences.
- To know how to identify potential child abuse or neglect and follow safeguarding procedures.
- To be Form Tutor and to carry out pastoral duties including discipline, attendance, punctuality, reports, assemblies and form rooms, etc., as detailed in the Staff Handbook.

## **C. Quality of Provision**

- To teach well-organised, engaging and motivating lessons with high levels of challenge, questioning and articulation.
- To ensure best practice is sought and integrated into teaching and learning.
- To have a secure knowledge and understanding of your subject and any recent relevant developments.
- To know the assessment requirements and arrangements including public examinations.
- To ensure that data and pupil information are used effectively to inform teaching and learning [including SEN].
- To support students so that they can be reflective and are able to identify how they can improve.
- To encourage high standards of academic and personal achievement, appearance and conduct in all pupils.
- To be committed to the pastoral life of the School, taking account of diversity, promoting equality and inclusion, and managing student behaviour in line with the School's Behaviour Policy.
- To establish a safe and purposeful learning environment.
- To contribute to the wider life of the School and its co-curricular activities.

## **D. Wider Professional Aspects**

- To contribute to departmental development, acting upon the direction and feedback of your line-manager or HoD.
- To have a creative, collaborative and constructive approach to innovation and be prepared to adapt your practice.
- To keep up-to-date with school developments and professional duties, and to carry out a share of supervisory duties.
- To be a role model exemplifying the highest standards of classroom practice and professional conduct.
- To evaluate your performance and be committed to your own professional development.
- To understand the roles of colleagues with specific responsibilities for groups of learners [eg SENCO, Heads of Year]

## **E. To take responsibility for other areas as may reasonably be requested by the Headmaster.**

## 10. Data Protection

Under the terms of the Data Protection Act 1998, the information you provide on this form will only be used by Saint Olave's for the purpose of assessing your suitability for employment, for monitoring policies and procedures, and for personal management purposes.

For any position that you apply for, if unsuccessful, this information may be retained on file for 6 months. The information may be used in internal proceedings to consider a complaint about the selection process and/or to defend against a legal challenge to the fairness of the selection process from any interested party. The information you provide to us on this form may also be used in the prevention and detection of crime and fraud.

## 11. Pension Scheme

Do you contribute to the Teachers' Pension Scheme: Yes  No

Or other Superannuation (give name): \_\_\_\_\_

## 12. Applicant's Declaration

If you are invited to interview you may be required to answer formal questions as to whether or not you have unspent criminal convictions or summonses pending against you. Spent convictions must be disclosed for certain posts, e.g. Social Workers and Teachers as these are exempt from the provisions of the Rehabilitation of Offenders Act 1974. Some posts are subject to political restrictions. If any of the above applies to the post you are applying for, further details will be made available to you.

I declare that the information I have provided is true and accurate and in particular that I have not omitted any material facts which may have a bearing on my application. I understand that any contract of employment with St. Olave's is offered on the basis of the information I have provided. I understand that a false declaration, which results in my appointment to St. Olave's, may render me liable to dismissal. I give explicit consent that the information which I give on this form may be processed in accordance with the St. Olave's registration under the Data Protection Act 1998.

I am in possession of the certificates which I claim to hold, and understand that wilful falsification may result in dismissal if I am appointed.

I understand that any offer of employment will be subject to satisfactory medical, Criminal Records Bureau and police checks.

Do you have any family or close connection with any existing employees of St. Olave's School including governors?

Yes  No

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

## EQUAL OPPORTUNITIES MONITORING FORM

The School has a policy on Equal Opportunities, which requires fair and equal treatment to be given to all job applicants. To help check how this policy is working the School seeks to record additional details of all people who apply for jobs.

For this reason the School would be grateful if you would give the information that is requested. This request has the full support of the teaching associations. This information is treated as strictly confidential and will not affect in any way the fair consideration of your application for employment. Your participation is entirely voluntary. Thank you for your assistance.
