

SCHOOL OF ENGINEERING

APPOINTMENT OF TEACHER OF ENGINEERING – Ref 210363

The School of Engineering is an exciting, dynamic and challenging environment in which to work and study. We presently cater for over 400 vocational students within a provision that includes:

Engineering Apprenticeships
BTEC First in Manufacturing Engineering
BTEC Extended Diploma in Engineering
A Level Design Engineering

The School is housed in purpose built facilities and has a range of specialist resources that include fully equipped Engineering and R&D facilities, CNC machines, Forge/Heat Treatment area, materials testing laboratories, Electronics labs, 3D printer, CAD suite, Drawing Office, Classrooms. In 2016 we opened a purpose-built £6.2 million Engineering & Science Innovation Centre at the college's Chorley Campus.

The School currently comprises 14 full-time teachers, supported by 2 full-time specialist technicians.

The School has a proven track record for achieving excellent results and there is a clear route for progression. Retention and attendance are well above the national average and the School has developed good links with local industries.

The successful candidate would play a fundamental part in the development and delivery of engineering subjects across a range of courses within the School and would be joining an enthusiastic and committed team of professionals.

We positively support the continuous development of staff within the learning environment through specific and individual staff development programmes.

Teachers at Runshaw normally teach 773 hours per annum. At Runshaw, we do believe that teaching and learning is by far the most important activity in the college and we actively support our teaching staff and the work they do with our learners. They are supported by:

- A dedicated pastoral team, to support teachers with the pastoral care of all students, including the telephoning of parents
- Sympathetic timetabling to avoid a spread of too many different courses and levels and the inclusion, where possible, of repeat lessons
- A very supportive organisational structure with each teacher supported by his/her team and School
- Subject/course based staff workrooms located nearby to subject/course suites of classrooms
- The use of ILT and other strategies to put more responsibility on students for their learning
- The use by each teaching team of common schemes of work and shared teaching and learning resources which have been developed by the team
- Significant in class support from education support workers

Runshaw Vacancies

- Devolved administrative support located in the Programme Office
- A special programme of support for Newly Qualified Teachers (NQTs) which includes induction and additional support from the College's Professional Tutors
- Teaching and Learning Academy that supports and develops teaching and learning skills for all teachers.
- A holiday entitlement which matches that of sixth form colleges
- A comprehensive professional development programme which includes in-house provision as well as externally organised events
- Salary scales which are among the best in the post-16 sector
- Prominence given to the development of teaching methodologies and curriculum development e.g. workshops on co-operative learning by Spencer Kagan
- A college ethos which focuses on valuing learners as individuals and supporting them to fulfil their potential

The post on offer is a very exciting one and offers great opportunities. We are grateful for your interest in the College and hope that having read this information, you will be encouraged to apply.

We very much look forward to receiving your application.
