HISTORY DEPARTMENT

The History Department is a strong department in the school, whose exam results are very strong at KS4 and KS5. It is an increasingly popular options choice both at KS4 and KS5.

The department consists of a Head of Department, KS3 Co-ordinator and 5 other staff in the department. The department is based in Quarry Bank Wing and each department member is issued with a laptop and digital projector. There is also a sizeable shared resource area.

The Department has timetabled access to an ICT suite in the wing. Key Stage 5 History is taught in Quarry Bank Wing and in the Sixth Form Centre.

The post offers the opportunity to develop the work already done in the department, raise the achievements of all the pupils, to attract pupils to the subject and to extend the use of ICT across the curriculum
