Subject Specific Information

Joining our Faculty will provide an exciting and challenging opportunity to build upon the existing high standards of technology teaching. The department consist of 3 dynamic and dedicated teachers and 3 experienced technicians. The department is committed to delivering a full rich curriculum to all students using active learning, AFL and ICT. We are looking for an enthusiastic teacher of one or more of any of the technology specialisms to join are talented team.

The facilities at the college include well equipped and maintained dedicated specialist classrooms with an interactive whiteboard in all classrooms. The faculty is well resourced in terms of teaching resources.

At Key stage 4 we offered AQA GCSE Textiles and Resistant Materials until 2017; Catering with the Welsh board is a L1/2 qualification; all of which are very popular with our students. One of the team's strongest assets is our dedication and care given to our students along with our ability to adapt and support each other. We are in an exciting period of transition and growth, exploring new ideas to enhance our delivery of the new curriculum to our students.

Classes at key stage 3 and 4 include 4/5 lessons per fortnight.

Person Specification – Teacher

The following selection criteria are the skills and experience required for this position

- Excellent subject knowledge and a relevant degree and teaching qualification.
- The ability to use a range of teaching methods in the classroom and to promote a stimulating learning environment.
- Willingness and ability to work as a member of a team.
- The ability to work to and achieve high standards.
- Enthusiasm and a sense of purpose in the delivery and assessment of the curriculum.
- Ability to make effective use of data and develop intervention strategies to improve students' learning.
- Good communication skills.
- Competent user of ICT with the ability to use these skills in the classroom.
- Ability to contribute to departmental extra-curricular activities.
- Energy, commitment and the desire to use the experience offered by this post for promotion.
- A good sense of humour is desirable!
- A growth mindset.

General Duties

In addition to his/her particular teaching within the departments, the successful applicant will be expected to take a full and active part in the life of the school as far as this is possible.

The school day is split into 2:2:1 periods with five 60 minute lessons and an afternoon tutorial session. The school operates a two week timetable. Staff with no management responsibilities teach 42 periods per fortnight and Faculty Leaders teach 38 periods.

Safeguarding

The successful candidate will be subject to a satisfactory enhanced disclosure from the Disclosure and Barring Service (DBS).

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.
