

Kennet  
School

Excellence through Endeavour

Application Pack  
Maths Lead Practitioner

# WHAT WE BELIEVE

At Kennet School we employ forward-thinking, creative teachers who are unapologetically passionate about their subject. Our motto, 'Excellence through Endeavour', does not apply to our pupils alone.

We place learning at the centre of everything we do. Through our learning blog and innovative professional development programmes, we seek to drive education reform through the heart of our school, making decisions which are right for our pupils whilst being an exciting place to work.

We do not believe in restrictive marking policies, for example, those which demand a consistent marking technique. Rather, we value the full range of assessment methods and equip staff with the ability to plan the appropriate strategies alongside learning.

Our curriculum is rich in knowledge because we believe knowing things provides a foundation for being able to do things. Department and training opportunities create space for the ongoing development of the curriculum as we understand the value that specialist teachers bring to this process.

We value staff time and prioritise staff wellbeing in all decision making. Additional admin support is provided to ensure all teachers are able to focus on their first priority: pupils' learning.

A rigid behaviour procedure enables teachers to teach disruption free. Our procedures reduce the demands on staff whilst ensuring that poor behaviour is dealt with swiftly and positive behaviours do not go unnoticed.

If you are passionate about seeing young people achieve more than they thought was possible and recruiting the next generation to your field of expertise, then we welcome your application to join our team.

Ms G Rigg  
Headteacher

# LETTER FOR APPLICANT

Dear Applicant

Thank you for your interest in the post of Lead Practitioner for Maths. We are a friendly and collaborative department and would be excited to welcome a forward-thinking and passionate teacher who can help lead this dynamic team. The role will also involve coaching to develop the practice of members of the team.

The successful applicant will support me with a core purpose to develop the quality of teaching and learning in the subject. The role will also involve coaching to develop the practice of members of the Maths team. We would like you to be able to teach Maths at Key Stage 3 and Key Stage 4, with an experience of A Level teaching an advantage.

The Maths Department at Kennet consistently delivers excellent results. Last year, we achieved excellent GCSE and A Level results. Our GCSE cohort achieved 26% 9-7 and 79% 9-4, whilst our A Level results were 54% A\*-A and 92% A\*-C. We pride ourselves on offering opportunities for all of our students, and giving them the keys to open the door to their future.

We are always looking for dynamic ways to support and extend pupils and take part in all levels of the UKMT Maths Challenge with high success rates across all year groups. We have a dedicated support teacher for Year 7 pupils who works alongside class teachers to help pupils that find the subject more challenging. We run a number of clubs to support students in their learning, including a Key Stage 3 and Key Stage 5 homework club.

If you're undecided about applying, we would love to welcome you for an informal visit at your convenience. If you would like to discuss this or any possible job opportunities at Kennet School, please contact: [gcllegg@kennetschool.co.uk](mailto:gcllegg@kennetschool.co.uk)

If you've already decided to apply, the easiest way to do so is by clicking the 'Quick Apply' button on the TES website. Alternatively, application forms can be downloaded from the vacancies page on our website and submitted by email to [office@kennetschool.co.uk](mailto:office@kennetschool.co.uk)

Applications must be received by Monday, 5 February 2024 (9am).

Yours sincerely

Mrs L Woodley  
Head of Maths

Job Title: Maths Lead Practitioner

Salary: MPS/UPS (£30,000 - £46,525) + TLR (£7,489)

Contract: Full Time (Permanent)

Required for: September 2024

# WHY WORK FOR US?

...because we support and value our teachers!

Professional growth at Kennet School is centred on investing in individuals. We spend well above the national average on professional development and have teachers on NQOs, Leadership apprenticeships and MA programmes. Our aim is to help every member of staff be the best they can be.

Evidence-based professional development programme has a real impact on teaching and learning across the school. Centred on our 7 Principles for Learning and creating a shared language of learning, this programme is about trusting teachers to shape their own learning and giving them the time to explore issues relevant to their expertise and subject.

An unwavering focus on learning is at the heart of everything we do. We remove as many barriers as we can, administrative or otherwise, to keep learning at the top of everybody's agenda.

Wellbeing is at the heart of our systems and processes. Our behaviour systems support teachers to deliver lessons in disruption-free classrooms while centralised detentions allow for teachers to manage their time effectively. Teachers are expected to use time efficient strategies to provide feedback to pupils.

Staff Learning Hub; a physical space onsite dedicated to professional development and the craft of educating. This is matched by our teaching and learning toolkit and digital Professional Development Hub, open to contributions from all.

Career Opportunities arise frequently in large schools and we actively seek to help our teachers develop their careers and move into positions of responsibility.

Our new staff and ECT programmes are bespoke to individuals, include mentoring, opportunities to shadow colleagues and pupils and other opportunities across the school. We are the local cluster lead for ECT training and work with UCL to deliver the Early Career Framework. This includes a dedicated weekly mentor meeting and at least three sessions of professional studies each half term.

Staff Perks include a cycle to work scheme with a tax free allowance, learning visits to other schools, a sophisticated leisure centre on site (with discounted memberships) and an active social committee. We have a number of other benefits including free flu jabs, free porridge daily, Microsoft 365 and various free product offers through gemsatwork. Staff sporting events are a popular feature of our perks. In addition to this, we offer staff membership of the **Teachers' Pension scheme and the Local Government pension scheme**. Childcare vouchers, through the Government scheme, can also be offered.

# PERSON SPECIFICATION

Criteria	Essential	Desirable	How identified

Displays commitment to the protection and safeguarding of children and young people	✓		
Good knowledge and understanding of safeguarding practice	✓		

# APPLICATION PROCESS

## Completing your application

Our preferred method of application is via the 'Quick Apply' function in TES.

Alternatively, you can download an application form from our website, complete it, and send to [office@kennetschool.co.uk](mailto:office@kennetschool.co.uk). We will not accept applications that are not submitted through either of these methods, this includes CVs and letters of application.

Please be thorough and accurate when completing your application as we review these forms carefully during the shortlisting and selection process. We advise against generic supporting statements and will be looking for your suitability to this particular role.

Your application will be shared with our appointment panel along with references and any other pertinent information.

## Shortlisting

Applications will be reviewed as they arrive, but formal shortlisting will take place as quickly as possible after the application deadline. Applications will be ranked by members of the recruitment panel. Following this, successful applicants will be notified and asked to confirm their attendance at interview. Schedules will be sent out once we have confirmed the field for interview.

In exceptional cases we may choose to shortlist before the application deadline, so early applications are encouraged.

## Interviews

The components of interviews will vary by job role, but the schedule will be designed to assess the competencies outlined in the person specification. All interviews involve an opportunity to tour the school and find out more about us. The final stage of the selection process is a formal panel interview.

## Documentation

If selected for interview, please bring the following:

- Photo Identification (driving license or passport)
- Proof of address
- Certificate from highest level of qualification (e.g. degree certificate)

## Appointments

Following interviews, the panel will decide whether to make an offer of employment. Wherever possible, this will be done on the same day and a contract will be prepared. We ask that candidates attending interview are in a position to make a decision about whether to accept the role.

Kennet School is committed to equal opportunities, safeguarding and promoting the welfare of children and young people. We expect all employees, governors, trainees and volunteers to share in this commitment.

We seek employees who are keen to contribute to the fuller life of this highly over-subscribed and ambitious school.

Successful candidates will be subject to an enhanced Disclosure and Barring Service check, and, in line with Keeping Children Safe in Education (KCSIE), a social media check will be undertaken to validate details applicants have given to support a job application.

## Don't just take our word for it...

"The pupils and parents have a real passion and enthusiasm for learning, enabling a positive environment."

Mr C Adams  
Assistant Head & PE Teacher

"I love the sense of community at Kennet. The joyful devotion of the staff is matched by the infectious zest of the pupils."

Mr A Killeen  
Head of Year 7

"Kennet is a happy and vibrant place to work. A great group of pupils and staff, excellent facilities and opportunity to get involved."

Dr N Sapkota  
Head of Biology & Science Teacher
