All students **enjoy their learning**, grow in **confidence** and **self-worth** and **thrive** in an ever-changing world.

“St Bart's lets us all thrive and the lessons are **enjoyable and exciting**.”

Chloe, Year 7

“There are **so many clubs** on offer and **something for everyone** which makes St Bart's so special.”

Luisa, Year 11

“I like being **accepted for who I am** and **never judged on my abilities**, I always **feel included** in everything.”

Grace, Year 7

St Bart's is an exceptional school with a culture of high expectations for all. We are a caring and inclusive community and, in 2021, we were extremely proud to receive an Outstanding judgement, in all categories, from Ofsted. Inspectors highlighted the 'kindness and respect' shown by our students, as well as their 'determination to help everyone achieve their best'.

Every student is well-known and cared for within our House system which offers exceptional pastoral care. A comprehensive transition programme supports each child's entry into the school with induction days, welcome evenings and a fun-filled summer school.

Through an in depth understanding of each individual student, their talents are valued and their needs met. Dedicated support is available through our Personalised Learning department. All students thrive with exceptional teaching and learning from subject specialists working within a contemporary, vibrant and diverse curriculum. With only 27 students in a class, on average, our small class sizes allow initiative and creativity to flourish. Achievements are recognised and celebrated.

Our students secure outstanding results at both GCSE and A-Level. The breadth of subjects is impressive throughout the school, culminating in an exceptional choice of over 40 courses in our vibrant Sixth Form, to which the majority of our students progress.

Participation in a wealth of co-curricular activities is strongly encouraged, from sport to school productions to fundraising. There is a thriving House Championship and House competitions are keenly contested. Learning is brought to life by educational trips. Many opportunities to develop leadership skills are available in a number of settings from CCF to Bart's Ambassadors to Sports Leader awards.

The variety of experiences and opportunities available to all students support them to become the best that they can be. We hope that this prospectus, and the links to further information on our website, give you a taste of life at St Bart's and we look forward to welcoming you to our school.

Dr D Fitter

Headteacher, St Bartholomew's School

“The staff in the house offices are really nice, you can talk to them about any of your worries. I came from a small village junior school and thought this school was really big, but the room numbering system makes it **really easy to navigate** your way around.”

Oliver, Year 7

“All the people and teachers are **very supportive and helpful**, there is a very **nice school community** that is always **kind and compassionate**.”

Iggy, Year 7
