

Dear Applicant,

Thank you very much for your interest in applying to work in our school. Baylis Court School is a happy, supportive and very hardworking community. I have the pleasure of leading a fantastic staff team, both teachers and support staff. I am very privileged to lead such an exceptional school.

The atmosphere and ethos within our school is a very positive one and it is a good place to be. Staff are very supportive of each other, believe they work in an excellent school and are proud of their achievements, the pupils and the local community. Staff here have a good sense of humour and this helps in building a sense of proportion and team work, even when the going gets tough, as in all schools. Our most recent Ofsted reports (2007 and 2009) judged the school to be Outstanding.

Behaviour within the school is deemed to be very good by teaching staff, pupils and parents. Classrooms are orderly and lessons proceed without disruption. The pupils at Baylis Court School are very special and deserve the very best educational opportunities from staff who give their utmost to achieve this aim. We believe in investing in our staff and anyone appointed here will find they have our full support in developing their careers.

I am a very hands-on Principal. I believe I am there for my staff and pupils. I feel that a Principal should be at the very heart of their school and there for everyone. I am very proud of this school and commend it to you unreservedly - it is a very exciting and rewarding place to shape the lives of young people.

I look forward with interest to receiving your application. We are committed to safeguarding and promoting the welfare of children and expect all the staff and volunteers to share this commitment. Any offer of employment is subject to satisfactory references and enhanced DBS checks.

I would encourage you to visit our website www.bayliscourt.slough.sch.uk. Please look at our current prospectus and back issues of our newsletters. They will give you a good insight into all the amazing things we do, and the ethos of our school.

If I can be of any further help to you please do not hesitate to contact me via my Personal Assistant, Mrs Rosie Bounds (RBO@bayliscourt.slough.sch.uk). We would be delighted to provide answer any questions you might have. I look forward to receiving and reading your application by midday on the specified closing date.
