

Welcome Message

Baylis Court School is a lively, energetic, friendly school for girls aged 11-19, combining academic excellence with fun and achievement in an impressively wide range of extra-curricular activities. The excellent relationships which staff and girls enjoy ensure the school is a happy and inspiring place in which to grow and learn.

Our aim for the girls by the time they leave school is that they will be happy, confident and comfortable with themselves; able to enjoy and balance an active lifestyle; manage responsibility and have developed an open-minded, creative approach to life and learning.

Baylis Court School is part of the Baylis Court Multi Academy Trust. The Trust is responsible for ensuring that the school meets established success criteria. The School Governance Committee is responsible for working along side school leaders in monitoring and ensuring standards are improving.

I hope you will enjoy exploring the site and you are warmly encouraged to visit us and gain your own first hand impressions of the school, our facilities and atmosphere. I look forward to meeting you.

Deborah Ajose, Chief Executive Officer
