

Working at Bishop's Hatfield Girls' School

Bishop's is a successful, high performing comprehensive school which has been recognised as "Outstanding" in every category by Ofsted (2016). We have a distinctive ethos, enabling girls to succeed in and enjoy their learning. We are incredibly proud of our pupils and their achievements which continue to improve year on year. We emphasise the importance of the individual's contribution and take pleasure in sharing and celebrating achievement.

Last year, the Department for Education's performance tables placed BHGS in the top 20% of schools nationally for all subjects and with an exceptional overall Progress 8 score of 0.88 in 2022. We are rightly proud of these achievements, but BHGS is not an 'exam factory'. We are a community that works together to offer support and encouragement so that we can develop ourselves and others.

Join our team and help every pupil achieve

Our vision is for every child to fulfil their potential and enjoy the journey. We aim to achieve this through:

Excellent Teaching

- by enthusiastic and inspirational staff
- in stimulating and creative lessons
- with high expectations for ALL

Academic Success

- in a supportive learning environment
- enabling pupils to achieve their potential
- that values knowledge, skills and character

Personal Development

- valuing happiness and mutual respect
- in extensive extra-curricular activities
- which encourages responsible risk taking and prepares for the challenges ahead

Strong Leadership

- promoting high standards of behaviour
- securing and ensuring efficient and effective use of resources
- engaging the whole school community and beyond

We pride ourselves on our commitment to our school values which are Respect, Honesty, Ambition, Teamwork, Trust and Kindness.

You will be encouraged to lead on projects in and out of the classroom and your efforts will always be recognised and appreciated. All our staff run at least one enrichment activity and this helps contribute to the excellent pupil-teacher relationships of which we are very proud.

When recruiting staff, we look for personal qualities, workplace skills and experience which support both our vision and values. Staff wellbeing is very important to us and staff turnover is extremely low.

Continue your professional development

We are committed to developing staff both professionally and personally and you will find managers responsive to your opinions as to how this can best be achieved. New members of staff can expect a thorough, planned induction programme to help them settle into life at school. For all staff, professional development plans are bespoke based upon experience, expertise and personal needs. Staff may also apply for a Professional Development Award which provides financial support to those looking to extend their skills and knowledge beyond the school's usual CPD programme.
