

# HIGHWORTH WARNEFORD SCHOOL

# WELCOME TO WARNEFORD!

Highworth Warneford School is a friendly and successful 11-16 school serving the market town of Highworth and the surrounding area.

We have a proud tradition of academic excellence and the school is a busy, well-disciplined and vibrant learning environment. Just as importantly, this is a place where the students are all 'known' and the quality of pastoral care is outstanding.

You are always welcome to come and visit us to see the school in action.

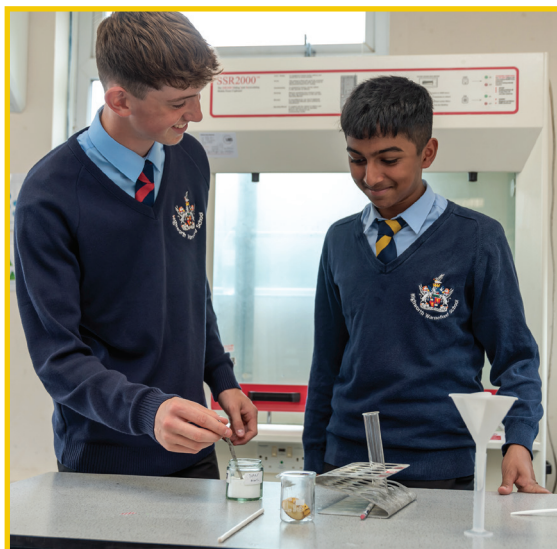

## OUR ETHOS

We are an inclusive school catering for the needs of all of our young people, no matter what their ability or background.

We provide a well-rounded education that enables our students to acquire and develop the skills, knowledge and personal attributes they will need in their adult lives. This is complemented by an absolute focus on academic achievement, with our students aiming for the best possible exam grades that will ensure future success.

Our extensive careers and enrichment programmes support this goal and allows students to push themselves even further!

## OUR HOUSE SYSTEM

We are very proud of our school and our amazing students. When youngsters join us, they become part of our family and we do everything we can to nurture them and enable them to reach their potential.

Our House system forms the backbone of the school and underpins so much of what we do: pastoral care, competition, rewards, student leadership and much more.

When starting at Warneford all students join one of our four Houses: Buscot, Coleshill, Hampton or Stanton, each with its own unique spirit. The rivalry is strong but always good-natured.

# OPPORTUNITY

We are modern in outlook but also cherish our traditions. We celebrate our students' achievements at every opportunity and hard work is always rewarded.

We are particularly proud of the many opportunities available outside of the classroom – with lots of clubs, activities, sports, music, drama, events, trips and residential.

There is something for everyone, so get involved!

## OUR SCHOOL

The school has excellent, specialist facilities that enable our students to access a wide range of subjects at a high level. This includes a large, modern Sports Hall, a full range of DT and IT rooms and well-provisioned Science labs.

Situated on the edge of Highworth, we have plenty of outdoor space and this definitely gives the school a lovely, rural feel as well as giving us excellent sporting provision – we have a long record of doing well in local, regional and national competitions.

## OUR FIVE PRINCIPLES

Everything the school does is based on five clear and powerful principles:

- Excellence:*** every student must aim for excellence in everything that they do
- Aspiration:*** students should aspire to do amazing things and not settle for just enough
- Challenge:*** we will improve students' resilience and help them to adapt to face life's challenges
- Values:*** our students will develop independence and confidence and become moral, curious and enterprising learners, leaders and adults
- Community:*** the school is part of a local, national and international community

## JOIN US

You may wish to visit the school during one of our Open Events that run every October, but you are very welcome at any time of the year.

Full information on our admissions process can be found on our website: [www.warnefordschool.org](http://www.warnefordschool.org)

We are all very proud of our school and its students and would be delighted if you wanted to join our family.
