INTRODUCTION

Welcome to Brooke Priory

Childhood is precious and I am passionate that our boys and girls seize every opportunity to learn, play, explore and flourish in an atmosphere of fairness, encouragement and mutual respect.

Every child at Brooke Priory enjoys an individual journey, rich with new experiences. Our teachers meet the academic and social needs of each child, challenging them to achieve their potential and fulfil their hopes and ambitions.

Small classes, outstanding and talented staff and excellent facilities ensure that every child receives the very “best start” to their education.

I look forward to welcoming you to Brooke Priory and showing you around our busy and very happy school.

Duncan Flint, Headmaster

In doing this, we would like to enable all children at Brooke Priory School to:-

- *Develop a love of learning and always aim to ‘be the best they can be’.*
- *Develop the ability to identify their strengths and weaknesses, with support, in order to succeed.*
- *Reflect on their learning and develop independence.*
- *Experience a well-balanced and broad curriculum with varied opportunities for learning.*
- *Use technology with confidence to support and enhance their learning.*
