

Dear Applicant,

Firstly, I would personally like to thank you for taking the time to read about our school and its achievements. I am extremely proud to be Headteacher at Shavington Academy and hope that after finding out a little more about us, you too will want to join our successful team.

Values drive every part of what we do at Shavington and underpin leadership at every level. We value the ethical and moral development of our pupils, promoting integrity, kindness, gratitude, respect and acceptance across all elements of Academy life, as well as promoting academic success. As staff we role model these values through all aspects of what we do and firmly believe that our mission statement 'Together we enjoy, aspire, create and achieve' echoes our ethos and our collective drive for all pupils both academically and personally.

Our Academy has high aspirations for all of our pupils to enable them to achieve their potential and beyond. We pride ourselves on the Academy values that will enable our pupils to become a responsible member of our community, as well as preparing them for the diversity and demands of the modern-day world.

We believe that being a part of our team is extremely rewarding and our ambition to continually improve and strive to be better means that we are committed to supporting your development, as we are our own.

I do hope after reading about the Academy you feel this is a place you would relish the opportunity to work. A place where enriching and developing the lives of the future generations is at the centre of everything. A place where your values and professional learning is respected and developed.

I do hope you will consider joining us.

Mrs Emma Casewell

Headteacher
