

WELCOME FROM THE PRINCIPAL

We believe Hayes School is a very special place and we are exceptionally proud of the school we have created together with staff, students, parents and governors. Having been recognised as an outstanding school by OFSTED in 2011, 2013 and 2022 we are not complacent or any less determined to improve Hayes School even further. We are committed to ensuring Hayes School is an exceptional school for every child where excellence is standard in all we do.

We believe in excellence - we have a passion to be the best, value every student and believe everyone wants to and can succeed.

We provide excellence - we provide excellent facilities, a curriculum and lessons which motivate and inspire children to achieve and go the extra mile to provide care, support and guidance to our young people.

We achieve excellence - students attain highly and make progress whatever their starting point. We celebrate their success and achievements.

Your children are the most important people to you and to Hayes School. Our joint venture over the next seven years is to help them develop the skills, knowledge, qualifications, character and ambition to become outstanding young people able to access opportunities and life chances which would otherwise be closed to them. We want them to become adults of whom you and we are proud; individuals who contribute to and are leaders in the world in which they live.

Our school vision is:

"To have uncompromising aspirations for every individual and for our school to be an exceptional and inspirational community of lifelong learners."

Parents and staff joining Hayes need to commit to "Would this be outstanding for my child?" and ensure that what we provide is just that.

Hayes School has been designated a National Teaching School and has received the World Class Schools Quality Mark in recognition of our work in developing high quality teaching and learning, sustaining excellent academic outcomes and providing an exceptional range of extra-curricular and personal development opportunities for all students.

I look forward to welcoming you and your child to Hayes School and to you joining us on the next stage of our and your journey.

Mr Whittle, Principal
