

Mission Statement

“To nurture and develop all people in our Trust so that they reach their full potential academically, vocationally, and personally, including being positive role models for future generations in the community. We will achieve this by providing high quality values-based education that cultivates employability and life skills making our schools the first choice for young people, parents, carers, staff and employers.”

The Mission embodies our drive towards care, values led education, community, employability but still with academia and life skills at its heart. We aim to provide a level of educational service for all that supports family and community development. This compliments our vision of:

“preparing you for the future”

We are proud to be a part of the communities we serve.
