## Message from Jon Hayes, Headteacher

We have a very simple goal, to ensure that all our students are supported and stretched to reach their potential and leave as happy, well-rounded individuals with the qualifications and skills they need for the next stage in their lives. Our exam success at GCSE and A level show how every one of our students, regardless of ability, is supported and challenged to reach their potential.

To that end we aim to develop the whole child. Schools are places of learning and our exam results show how well our students learn during their time with us. Good schools, however, should be about much more than just exams. At QKS we provide a broad educational experience that combines the highest quality teaching with a wide range of extra-curricular opportunities that allow students to grow and develop as individuals. From residential visits to Conway, Iceland and Normandy to opportunities such as Duke of Edinburgh Bronze for all our year 9 students and Silver and Gold awards for them to move on to, to the 50+ clubs that take place within school, there is something for everyone at QKS.

The Queen Katherine School is a fantastic school to belong to and we believe that every member of our community should feel pride in being part of that community.

This sense of belonging and pride is the cornerstone of everything we do as a school and everything that we expect from our students and ourselves. Pride in ourselves, our learning and our community, only ever producing our best quality work, our highest effort levels, being on time every day with the correct equipment and uniform to allow us to learn and enjoy.

If we all take pride in ourselves and in our school, then we will be successful and happy. You can see what being 'Proud to Belong to QKS' looks like by visiting our website (<http://www.qks.org.uk/proud-to-belong-to-qks>). These are our values and expectations for all members of our school community.

Proud to belong to QKS  
Achieve Include Enjoy Respect
