Derby High School operates its own Fees in Advance Scheme for the payment of school fees for future years. The percentage of savings is dependent on the interest rates at the time of payment. It is important that the Bursar's Department is made aware if you wish to take advantage of this deduction by 9.00 am by the first day of the second half of the Summer Term. Fees can also be paid monthly via an independent external provider, School Fee Plan. When three or more siblings attend the school, there is a reduction of 33.3% on the tuition fees for the youngest child.

The Governing Body reserves the right to revise the fee structure further should circumstances prove necessary. School fees are payable termly in advance. Extras are charged retrospectively. The basic school fee includes tuition, most books, stationery, lunch and a snack at break. Typical extras include exam fees, individual instrumental lessons and individual lessons for students with learning difficulties. School trips, photographs and miscellaneous other items are also charged as extras. These are either itemised on the school bill or charged directly by the person supplying the service. Parental consent is normally sought for a child to take part in a chargeable activity. Please contact the Bursar for more information.

WRAP AROUND PRIMARY CARE

Breakfast Club runs from 7:30am - 8:00am daily. The cost is £3.50 per session, payable monthly and includes a light breakfast and supervision. Booking is not required.

The after school club for our Primary children is called Primary Extra Time and runs from 3:30pm to 5:30pm daily. The cost is £8 per hour, payable monthly. Children attending Primary Extra Time are collected from their classrooms at 3:30pm and taken to the Nightingale classroom in the Infant building where they have a snack and take part in various activities - arts & crafts, games both indoors and outdoors, weather permitting. Primary Extra Time places can be booked in advance or on the day when it is required. To book your child in please phone the school on 01332 514267.

For further information about Primary Extra Time please contact the Primary Head's PA. On Tuesdays and Wednesdays, which are longer days in the Senior School, we offer late waiting for no charge until 4pm for Primary pupils who have siblings in the Senior School so that only one pick-up is required.

LATE WAITING IN THE SENIOR SCHOOL

The Senior School offers a free facility for late waiting whereby students are permitted to stay in the library, on the tennis courts or on the Head's Lawn (weather permitting) until 5:30pm. Senior Late Waiting is supported by our School Librarian alongside administrative staff.

PRIMARY DEPARTMENT

Your child will be invited to spend a morning in school joining in with a class of pupils of their own age. During that time we will observe them socially with other children and ascertain their ability to cope with the pace of learning in the class/year group. Older pupils would have some work to complete to identify their current level of working.

MEANS TESTED ASSISTED PLACES

The maximum value of an Assisted Place is 50% of the basic school fee. This remission does not apply to extras.
