

OUR HEAD TEACHER

MRS N. CALEY

I am delighted to introduce you to our wonderful school. Since my arrival in 2018, I have sought to create a thriving working environment which enables our wonderful students to succeed in all aspects of life at Murray Park and beyond.

We pride ourselves on giving teachers the conditions in which to teach without distraction and ensure that all staff are supported quickly with any concerns both in and outside the classroom.

We are fully committed to offering a top-class education - on-line or in school - which keeps abreast of national and international trends. We welcome applications from high-quality candidates who are looking to make a real difference to our students' lives.

We support all new staff with a supportive induction package. ECTs follow the Derby City new teacher programme as well as our in-house training. We endeavour to ensure your skills are developed so you can perform at your optimum.

Please take your time to consider the information in this pack and do not hesitate to make contact with us should you require any further information.

SCHOOL INFORMATION

Murray Park is a dynamic and forward-looking 11-16 mixed comprehensive school on the western fringes of the city of Derby. It is a Foundation Status school, but has a close working relationship with the local authority. Our students reflect the full academic ability range and there is a huge breadth to the socio-economic status of our families

We cater for approximately 1111 students, situated on a spacious site surrounded by greenery. We serve students from the Derby City area, within reach of the Derbyshire countryside and our cohort sizes are growing each year.
