

Why work with us at Ormskirk School

We offer:

A positive working environment where staff are valued team members, provided with several opportunities for providing feedback.

Strong pastoral system with a non-teaching Assistant Head of Year for each year group working alongside the Head of Year. Clear structures of accountability and support for all staff.

A dedicated whole school CPD programme focusing on Teaching and Learning takes place each Tuesday from 2.30pm. Providing clear focused time to teaching and wider classroom staff to develop skills, knowledge, behaviours and share valuable experiences.

A great community spirit with all staff enjoying experiences such as Carol Concerts, Winter Warmers, school productions and drop-down Challenge day each year.

Staff access to health & fitness activities offered after school.

Technology available to all teaching to support teaching and learning, including iPads for all pupils.
