## Dear Potential Candidate

The staff, learners and governors are always keen to appoint enthusiastic, innovative and highly motivated people to join our team. Applications are always invited from excellent candidates, who have proven ability, creativity, vision and strong practice.

We would be excited to receive applications from those who have specialist knowledge and experience working with learners who have severe learning disabilities, autism and social/emotional needs in either specialist or inclusive mainstream settings.

When it comes to teachers, we would love to receive applications from teachers committed to their own development and progression, with middle leadership experience. If you are beginning your teaching career as an NQT or RQT and have a passion for delivering life changing practice for children with SEND, we would also welcome your application.

### At St Giles we have:

- Amazing, capable and enthusiastic learners;
- A commitment to team work, a strong team and a belief in providing learning opportunities that change lives;
- An innovative and exciting approach to learning and teaching;
- The highest expectations of learners' behaviour to learning and achievements;
- A purpose built school, designed to enable staff to meet the holistic needs of children and young people who have special educational needs and/or disabilities.

### Successful candidates will:

- Be an excellent and inspirational practitioner with a commitment to high standards and progress for learners who have special educational needs and/or disabilities;
- Be creative and innovative and able to inspire and motivate all learners;
- Be a strong team member with excellent communication and interpersonal skills;
- Have a creative approach to learning & a willingness to participate in the wider life of the school;
- Have a commitment to providing broad and exciting opportunities;
- Demonstrate the capacity to make learning enjoyable and exciting;
- Have high expectations of children's achievements and behaviour.

Work may be carried out in the classroom, outside the main teaching area or in the local community, including other schools and online.

Applications should be returned to [office@st-giles.notts.sch.uk](mailto:office@st-giles.notts.sch.uk) by 9am on the stated closing date.

Thank you for taking an interest in joining #TeamStGiles! We would welcome visits to our school.
