

Ss Philip and James' Church of England
VA Primary School
With love we flourish

At Phil and Jim we provide a happy, nurturing and supportive environment underpinned by our core values. All members of our school community are valued and respected, so that everyone can have a positive attitude about themselves and others. With love we flourish.

Vision

"I have come that you may have life in all its fullness." John 10:10

Our Christian vision is the foundation of our school and allows us to:

- Respect and love everyone for who they are
- Celebrate and serve our diverse community
- Nurture a passion for education so everyone can realise their potential

Values

Our three core values of love, compassion and community underpin all of our work in school.

We create an environment where our pupils can show **love** for each other, our school, our local community and global community.

Because all people have been made by a caring God and all are valued equally, we show **compassion** for each other, those in our community and across the globe.

In our **community** we model and develop trusting relationships which enable our pupils to make the right choices and keep themselves safe and happy.
