

WHY WORK AT THE MAYNARD?

As a member of staff at The Maynard you will feel supported and inspired by a network of ambitious, caring and ultimately great fun colleagues. It simply couldn't be a better place to work!

As the second oldest all-girls' school in the country we pride ourselves on a unique blend of tradition mixed with innovation and forward thinking. We are an academically selective school and instil in all of our students the desire to learn and be enthusiastic in their studies. Without exception, our girls are a pleasure to teach and their attitude is testament to the outstanding results that we achieve year on year.

Class sizes tend to be smaller than average throughout the School and we place a heavy emphasis on the importance of pastoral care. We relish the fact that we know each and every student individually which, in turn, allows us to support and nurture them through the very strong staff/pupil relationships we can form.

However, a Maynard education isn't just about academic achievement; our sporting calendar throughout the year is packed with fixtures and we punch well above our weight for a small school when it comes to success; our Art Department is so good we are often mistaken for a specialist art school by visitors to our exhibitions; Drama and the Performing Arts play a key role in the day-to-day of the Maynard – over half of our girls play an instrument, we boast 10-12 drama production each year (including the biennial staff play) and our choirs are regularly booked to perform at outside venues, such is their reputation.

As a school, we think that happiness matters! We also believe that feeling 'successful' significantly contributes to being happy and vice versa. At The Maynard our students are inhibition-free and feel confident to give everything a go. As soon as you cross the threshold, you can't help but notice the willingness of our students to engage with you and the warmth of the energetic atmosphere that we embody.

With the ever-developing and beautiful Cathedral City Centre only a five-minute walk away, transport connections are excellent, shopping opportunities abundant and socialising all too easy!

Should you apply for the position, you can be certain of one thing: you won't regret it!
