Our six core values

We will always show **INTEGRITY** and operate in the best interests of the College. Our decisions are based on evidence, honesty and courage.

We recognise that achieving our best is difficult and requires hard work, determination and commitment. We value and aspire to be **RESILIENT INDIVIDUALS** who identify solutions and opportunities, seeing problems as challenges to resolve.

CREATIVITY and innovation are the hallmarks of active participants and good learners and are the key skills required for any successful organisation. We consistently look forward and find opportunities for ourselves and students to explore.

We all strive continuously to use our imagination and be curious about the world around us. We celebrate diversity and the **POWER OF EDUCATION** and learning.

We look beyond current expectations and are open to new ideas, feedback and best practice. We are outward facing, open and optimistic, **EMBRACE CHALLENGE**, persist in the face of setbacks and see effort as the path to mastery.

We are proud of our College. We do many things exceptionally well. As **REFLECTIVE LEARNERS** we find opportunities for feedback, listen to it and act where necessary to improve our performance. Fearless and dedicated we never give in or give up and, where we see others struggle, we reach out and give them support, strength and encouragement to be the best they can be.
