**THE BLANDFORD  
SCHOOL**

It has been my pleasure and privilege to be Headteacher of The Blandford School since 2003.

During my tenure, I have seen many changes at the school, culminating in the completion of a £14m capital project, but the one constant has been the dedication and determination of my team to provide the young people of Blandford Forum and surrounding villages with the very best education possible to ensure that they leave us fully equipped for their future career choices.

I am delighted that you are considering applying for a post at The Blandford School. I hope that the information you have seen has helped to demonstrate the unique qualities of our school, and encouraged you to think that you would flourish in this environment.

I, and the other members of my Senior Leadership Team, would be very happy to discuss the potential for your employment with you, or to arrange a tour of the school if that would be helpful.

I very much look forward to receiving your application form in due course.
