A Warm Welcome, from Malmesbury Park Primary Academy.

Dear Candidate,

I am delighted to welcome you to Malmesbury Park Primary School an academy that is proud to be part of Reach South Multi-Academy Trust. At Malmesbury Park Primary School we believe every child deserves the very best education, opportunities to shine and the chance to achieve their dreams and hopes.

We place learning at the heart of all we do and this is driven through the development of our six learning values (Thinking, Independence, Collaboration, Creativity, Spirituality and Emotional Intelligence) within the school curriculum. Our curriculum is designed to meet the needs of our learners providing them with rich, memorable and meaningful experiences. There are lots of opportunities for parents to come into school, including: Open Mornings/Afternoons, curriculum outcomes, and workshops.

We are committed to providing the very best for the children and we believe this is about attaining highly but also developing positive learning attitudes and becoming responsible citizens. We have high expectations of all children in their learning and behaviour, however, we believe in the 'whole' child and strive to meet their emotional needs to ensure they can access their learning.

We are a very diverse community with over thirty-eight languages being spoken within the school. We celebrate and welcome this diversity as it gives a rich and varied culture. The children enjoy learning about different countries and cultures, and are very supportive of each other. We are proud to be part of Reach South Multi Academy Trust. We work closely with other schools within the trust both within Bournemouth and across the south west of England. It is very much being part of a family where we can work together to support one another.

Yours sincerely,
