9 June 2017

Dear Parents and Carers

I write to inform you that following the visit of Ofsted between 3 and 5 May 2017, our inspection report has now been published. We can therefore now share the fantastic news that we have been judged as Outstanding in every category. You can find the full report on our website [here](#):

Every member of the school community can be very proud of this outstanding achievement. I am particularly delighted that the exceptional behaviour and character of our students have been recognised; they are a privilege to work with and greatly deserve this recognition. The report states that *"pupils' behaviour and attitudes to learning are exemplary. They are rightly proud of their school and are unfailingly polite and welcoming to visitors..... they are thoughtful towards each other and respectful of their teachers."*

Many other lovely things about our school have been highlighted. The report emphasises our *"highly distinctive culture and ethos"* and the *"warm and nurturing climate which enables all pupils to feel safe and to flourish"*. It also notes that teaching *"in this school is quite simply inspirational"* because *"leaders demonstrate uncompromising ambition for all pupils in the school"* and *"are relentless in ensuring every pupil makes exceptional progress"*.

I am very grateful to the students, staff, governors and parents who have collectively worked so hard to create a very special school community. We are very clear that whilst this report is a wonderful snapshot of the work of our school and is an achievement that should be celebrated, it certainly does not mean that we are perfect and there will be no complacency or change to our commitment to continue to improve and innovate. We will continue to strive to provide the very best educational experience for the girls in our care, which they very much deserve.

Yours sincerely

Ros Allen
Headteacher
