

“Be Remarkable”

Mission: "By Working Together, as a Community, within an ethos of care, respect and responsibility.

By Being focussed, aspirational, independent and resilient in all that we do - we will become remarkable individuals"

Values: "We value everyone being: Focussed, Aspirational, Independent and Resilient"

About us: At Bexhill Academy we champion and firmly believe in a holistic education and curriculum that ensures that our pupils receive a comprehensive social, moral, spiritual, and cultural experience. We recognise that the development of pupils, spiritually, morally, socially and culturally plays a significant part not only in their ability to learn and achieve but in their ability to relate fully to and have the ability to access the world they live in. We therefore aim to provide an education that provides our students with opportunities to explore and develop their own values and wider British values, whilst recognising that those of others may differ. Beliefs, spiritual awareness, high standards of personal behaviour including a positive caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of other cultures are all critical skills and dispositions that we nurture, encourage and develop through our subject and wider curriculum.
