

JSTC JOHN SPENDLUFFE
TECHNOLOGY COLLEGE
ALFORD

RESPECT

JSTC prides itself on creating a warm, nurturing and respectful learning environment at the heart of its local community.

Staff are passionate about ensuring students receive a first class educational experience in a happy, stimulating setting.

As a school, we value, appreciate and celebrate the achievements and efforts of our students.

Our aim is to develop

RESPECT

RESPONSIBILITY

RESILIENCE

in each of our students to become confident and motivated young adults.

RESPONSIBILITY

Staff at JSTC work hard to ensure that lessons are both engaging and challenging.

Our carefully planned curriculum will nurture and guide our students not only to academic success, but will also ensure that they leave us as young adults ready to play a key role in the wider world.

Together, we can support your child to excel in school, be happy and leave as confident young people.

Our aim is to develop

RESPECT

RESPONSIBILITY

RESILIENCE

in each of our students to become confident and motivated young adults.

RESILIENCE

JSTC values the contributions that all students make - whether in the classroom, on the sports field or swimming pool, as part of a team in our School Council, leading a primary school event or helping a younger student with their reading.

We believe that, in partnership with parents, we can make the difference and ensure that your child reaches their full potential.

Our aim is to develop

RESPECT

RESPONSIBILITY

RESILIENCE

in each of our students to become confident and motivated young adults.
