CEO's Welcome

Founded in 2017, Mulberry Schools Trust is a family of schools serving diverse communities across London and East Sussex.

The Trust comprises 14 schools, educating more than 11,000 students and employing more than 1,000 colleagues. Our family includes nursery, primary and secondary schools, a University Technical College and a family and community learning centre. We believe in outstanding achievement for all, and our aim is to develop creativity, leadership and a life-long love of learning in all of our students.

Our Trust is deeply rooted in the local communities we serve and outward-facing in our ambitions. We are committed to achieving excellence for every child and young person, and to making a lasting, positive difference to the education system as a whole.

Our schools provide both an exceptional education and life-enriching opportunities beyond the classroom, so that every young person leaves confident, highly qualified and ready to thrive. In this way, we help ensure students go on to lead happy, fulfilled lives, making a positive contribution to their communities, to society and to the wider world.

We are extremely proud of our dedicated staff, governors and trustees who work tirelessly to create inclusive, ambitious and nurturing school communities. Alongside our schools, our Mulberry Changemaker Programmes open up new pathways for students and families.

Meanwhile, the East London Teaching School Hub and Mulberry College of Teaching provide excellent teacher training and professional development.

I warmly invite you to explore our website to find out more about our work, our people and our vision.

Yours faithfully

Alice Ward
Interim CEO
Mulberry Schools Trust
