

Letter from the Head of College

Many thanks for your interest in Rendcomb College and as I say to the pupils,
"Your adventure starts here!"

Rendcomb College is a special place; one where pupils are free to explore academically and literally within a beautiful 230 acre environment. It is a safe place to try new things and we encourage pupils and staff to set ambitious goals, in the knowledge that teaching and learning is a journey which involves both success and challenge. Thanks to our small size, we are able to tailor and personalise each learning journey with staff and pupils enjoying warm, respectful and rewarding relationships. Our pupils are wonderfully genuine and decent; they want to learn and know that they have a responsibility in maintaining the "Rendcomb Family."

The College is currently enjoying an exciting period of change and development. There is a "can do" approach from all staff. Academic results are excellent and will continue to improve as further initiatives become embedded. Pupils enjoy a broad range of co-curricular activities and we encourage them to support each other as only a small school can. The Campus is transforming as buildings are being built, refurbished and modernised and includes a recently opened state of the art theatre.

I am not alone in thinking that Rendcomb is a very happy and unique place and I look forward to receiving your application.

Mr Rob Jones
Head of College
