

The Hornsey Vision

As a school community, we aim to pursue and develop our talents and skills in an environment which promotes personal and academic challenge, striving to be the best versions of ourselves in all that we do.

The school is committed to preparing students to be responsible, articulate, politically and intellectually curious about the world we live in. We hold the values of respect, kindness and giving 100% at the heart of our conduct. We celebrate our diversity and commonalities with equity of experience central to the way we work together.

Our commitment to creativity encourages communal harmony throughout our curriculum, ensuring students thrive in all areas including STEM and Performing Arts.

To support this vision Hornsey students, staff, parents and governors will work in collaboration to ensure a happy learning environment which is diverse, welcoming and safe.

Our Ethos

Our key priority is to ensure high achievement for every girl at Hornsey. Through high standards of teaching, our broad and balanced academic curriculum and our extensive opportunities we inspire every young woman to raise her expectations and to be ambitious to fulfil her potential. We foster a love of learning for all of our students and encourage creativity and innovation across the curriculum.

As an international school, Hornsey students are encouraged to participate in national and international issues with integrity and confidence. We believe that every student has an opportunity to have an impact in influencing the world around us and we nurture leadership qualities in all of our students.

Our safe and welcoming school ethos is conducive to effective learning enabling every student to thrive in a calm and purposeful atmosphere. We foster healthy relationships, resilience and collaboration between students in order to prepare them for their world of tomorrow as well as today.
