

Mission and Ethos

Christ Church School is dedicated to providing a nurturing environment in which all children have the opportunity to reach their maximum academic and social potential. Excellent teaching, learning and relationships are at the heart of our school.

We aim to create an inclusive environment where being different but belonging together is key to our ethos. We dedicate ourselves to raising achievement for every child in our school. All children have their own strengths, gifts and talents and we feel these should be capitalised on so that children have positive self-esteem and achieve the very best that they can.

Creating and maintaining a close relationship between home and school is vital to a child being successful in their learning and we ask parents to be very supportive of our work as they are the primary educators.
