

Our purpose is to provide all students who attend Chestnut Grove Academy with the highest quality education through the delivery of an excellent, well-balanced and creative curriculum in a supportive, secure and caring school community. Our aspiration for all children is that they achieve their potential and develop into well-rounded human beings who can make a valued contribution to society.

Our ethos is one of mutual respect between children and adults within the school community and beyond; it is a school where every child matters and has the right to expect whatever is necessary for his or her development, academic and
