

Undershaw

Eliminating the impossible

Undershaw exists to be:

An inclusive school where the best interests of the child are at the heart of everything that we do.

A school where we empower students to aspire and achieve.

A caring and safe environment which allows students to thrive and flourish and prepares them to be socially and economically engaged in the future.

Undershaw is:

An independent specialist school providing a high standard of care and education for children aged 10 to 19 with mild to moderate learning difficulties and additional needs, such as ASD, cerebral palsy, hemiplegia, and medical vulnerabilities. Our focus on leading SEND Education, integrated therapy, employability, and wellbeing ensures that our provision is bespoke to each individual student.

Undershaw

Eliminating the impossible

'Thank you, thank you, thank you!

I can't explain how much it means to see 'A' smiling, laughing and interacting in a way she wants to.

I knew fighting to get her into Undershaw was the best thing for her but my word we are lucky!
