

Gulf British Academy

Vision and Mission Statement

Join us in our brand new premises!

Gulf British Academy (GBA) is a friendly school where all children are valued as individuals and parents welcomed as partners in their child's education. Our school vision and mission statements underpin everything we do. Please take a moment to read through them.

Our School Vision

To unite the best of British education with the best of Kuwaiti culture

Our Mission

Our aim is to provide a quality experience in all aspects of school life, enabling our pupils to be happy, successful and keen to learn. Our mission states that:

- We believe that children should develop a happy way of being together, that their self-respect leads to a respect for the rights and needs of other children and adults from their own culture and other cultures, and for the opposite gender.
- We aim to educate the child by presenting a whole experience that is right and relevant to their individuality, thereby fostering the child's intellectual, physical, cultural, moral and spiritual development.
- We recognise that change and progress are an important part of everyday life and therefore aim to equip children to cope and flourish in dealing with the challenges faced by such changes.
- We aim to teach a broad and balanced British-based curriculum through careful planning followed by an assessment of the pupil's progress. We also provide time for reflection and evaluation by the teaching staff.

By following these objectives, our goal is for every child to flourish academically, creatively, physically and morally into positive independent members of the international community.

Sincerely,

Mrs Mariam Al-Ali, School Director
