

Our Vision

“To be widely recognized as a center of excellence and a leader in personalized, **international** education that values student **wellbeing** alongside **academic** achievement, better preparing its learners to thrive in a complex **future** world.

Our vision is to be known as:

- a school that offers a truly personalized education;
- that help students develop a positive sense of wellbeing;
- equips them with the skills to manage life;
- is Charlotte’s only authentic International School;
- is the school of choice for relocating, international and expat families;
- is recognized as the best school for early years education
- the first choice for families;
- for our students to be offered a place at their first choice of future school.
