

## Garden International School Bangkok

### VISION

To be internationally recognised as a leading provider of quality student-centred international education.

### MISSION

Garden International School is committed to:

- providing a safe, positive and enjoyable learning environment using a British educational framework;
- encouraging all students to develop to their full potential;
- responding to the differing needs of individuals;
- promoting qualities of independence, responsibility, critical thinking, international mindedness and respect;
- providing an environment that aims for the highest educational standards in life-long learners.

### Students at Garden International School will:

- enjoy learning in school and beyond;
- develop to their full potential in all areas;
- be confident people able to take leadership roles;
- take responsibility for their actions and the environment;
- apply critical thinking skills;
- develop knowledge and understanding across a wide range;
- be open-minded to the values and traditions of all cultures;
- be respectful of others;
- study in an environment promoting high academic standards.

### PHILOSOPHY

We respect the individuality of each child, striving to provide a stimulating and nurturing environment while aiming for the highest educational standards.

We take responsibility for our actions and performance, whilst respecting ourselves, other members of the school community and our environment.

**Your Choice. Their Future. Our Family.**
