

## WELCOME TO THE LYCEUM SCHOOL

Choosing a school for your child is such a big decision that you can't make it simply by looking at a website. We hope, though, that we can give you a feeling for what makes The Lyceum an exceptional school.

We get to know every child in the school well, nurture them and build their knowledge and understanding so that when they leave us at 11, they are ready to begin their secondary education with enthusiasm and confidence.

We are a happy, hardworking and successful independent school based in the heart of London, within walking distance of Shoreditch High Street, Liverpool street, Old Street and Moorgate train stations.

We have a unique ethos and strong family atmosphere where pupils have been educated since the foundation of the school in 1997 and on their journey. We aim to inspire our pupils with a love of learning, to encourage them to grow in confidence, to be inquisitive learners with a zest for life, to be creative and effective learners and most important of all, to be decent, compassionate young people equipped to be successful members of society.
