A WONDERFUL LEARNING ADVENTURE

Established in 1980, Doha College is one of the world's leading British international schools, delivering an outstanding education to students between the ages of 3 and 18 on a not-for-profit basis. We pride ourselves on an inclusive and holistic approach to education, which keeps students engaged and interested, enabling them to reach far beyond the curriculum.

Putting children and their needs at the very heart of everything we do allows us to adapt to the individual needs of every student who enters Doha College, providing happy and memorable experiences.

Our fantastic, state-of-the-art campus has plentiful space for students to discover their passion and engage with interactive outdoor learning environments. Students develop a balanced understanding of the world around them, learning to be considerate of others and acquiring skills that serve them well as global citizens. We nurture the abilities to listen, consider other perspectives, form clear views and have the confidence to stand up and be heard. We are a united and forward-thinking college, working together to shape a relevant and multi-skilled education for our students.

Our staff are truly excellent and make our Doha College community what it is. We firmly believe that only with outstanding people can we deliver an outstanding education. To recruit the best, we offer a highly competitive international package, including annual return flights, housing, private medical insurance and excellent salary scales.

In addition, our CPD opportunities are unrivalled, with our dedication to investing in people. At Doha College we have established The Education Innovation Forum (EIF), which is our CPD Academy, fundamentally believing that effective CPD contributes significantly to school improvement. An investment in staff has a positive effect on motivation and effectiveness and helps to create a climate for learning which supports both staff and students in the school.

To enable personal growth, instil a passion for learning and create aspirational minds.

MISSION

With the growth-mindset philosophy of High Performance Learning, we develop confidence, creativity and intellectual curiosity in a safe, caring and inclusive environment for our students to make a lasting contribution to global society.

OUR CORE VALUES

EXCELLENCE AND diligence

Respect AND INTEGRITY

COMMITMENT AND accountability

Perseverance AND HONESTY

FUN AND enjoyment

Challenge AND REWARD

High Performance Learning (HPL) provides our students with a powerful toolkit for the way in which they approach their learning. We truly believe that through HPL our students quickly develop the cognitive and emotional skills to grow in confidence and to fully exercise their intellect. In time, these skills empower them to achieve their full potential, equipping them with the skills needed for this within a rapidly changing world. We are proud to have been the first school in the world to be accredited with the HPL World Class Status Award, received in June 2018.

WHAT DOES HIGH PERFORMANCE LEARNING LOOK LIKE AT DOHA COLLEGE?

There is a gap between how success is defined within school systems and what society, the workplace and the individual require in the wider world.

We look to increase our students' performance, to look beyond their own geography and embrace a world-class education. We believe that High Performance Learning liberates our students as high achievers with the skills to operate and empathise as true global citizens.

LIVING IN QATAR

A unique blend of the traditional and cosmopolitan, Qatar quickly makes visitors and residents alike fall in love with its rich experience. More open than some neighbouring countries, and less frenzied than others, Qatar strikes a balance that eludes much of the Middle East.

People who love the outdoors will never run out of adventures like the flamingo-fringed Purple Island, the sparkling Inland Sea, horse-back riding hacks among eucalyptus trees or snorkelling in waters favoured by dolphins, dugongs and turtles. The dunes are a particular staple, and the creativity in how people use them for fun is infinite. People who delight in cityscapes will enjoy the chic sidewalk cafés of “The Pearl”, with its colourful sights reminiscent of Italy and Spain, and discover endless cultural experiences in Katara, the Museum of Islamic Art, the National Qatar Library, the National Museum of Qatar, the traditional souqs, Sheikh Faisal’s Museum and much more.

International sporting and cultural events held at spectacular venues such as Qatar National Convention Centre, Aspire Zone, Al Shaqab, the various magnificent golf courses and exhibition centres add unmissable milestones throughout the calendar, not to mention the football stadiums prepared for the FIFA World Cup 2022. Qatar is equally appealing to single people and families, and the only thing better than visiting is living in it. No taxes, a gateway to the East, travel opportunities, enriched family time and activities, cultural exposure, unrivalled healthcare, and affordability of lifestyle are second to none. Living in Qatar will truly add depth to your life journey that you might never have imagined.
