AN ALL-THROUGH SCHOOL, LOCATED ON ONE CAMPUS

Family is a key part of what makes the British School of Bahrain such a successful school. Having entire families on one campus is important to us.

The interaction between different age groups, and the subsequent role-modeling that this enables, is integral to the British School of Bahrain Values and what makes us feel like a family.

Our parents are encouraged to take an active part in the School, and for many it is a hub of engagement and activity; with the British School of Bahrain Cafe' open throughout the day to support this.

Voluntary parental groups, such as the British School of Bahrain Parent Community Ambassadors (PCA), and the Parent Advisory Group (PAG) provide further opportunities for engagement.

Equally important to the British School of Bahrain, is our positive impact on our local community. The School always seeks to develop the values of empathy and philanthropy within the students through charity projects. Students lead projects and work alongside a number of local organisations, including Labour Safety & Welfare Community, Bahrain Breast Cancer Society, and Bahrain Precast Concrete.

Highlights of the British School of Bahrain calendar are ***The International Family Fair, Bahrain Grand Prix Week, Festive Night Market*** and ***Bahrain National Day***. These events present wonderful opportunities to celebrate our diverse community and the very best of both the British School of Bahrain and the Kingdom of Bahrain.

OUR PHILOSOPHY

► The British School of Bahrain is renowned for offering the best holistic UK based education within Bahrain.

“ I've had a remarkable learning experience at the British School of Bahrain, which has fulfilled my educational needs by providing an exuberant environment to excel in, and nurtured me into who I am today. Our History

The British School of Bahrain was established in Adliya in 1995 to provide a British education within Bahrain. We were founded as a school with a family feel that supported individual students through outstanding pastoral care. Over the last 26 years, some elements, including our location, have changed, but our philosophy to treat every child as an individual and make them feel part of our family is still at our core.

We are now a large international school, welcoming a myriad of nationalities and utilising this diversity to shape students to be ready to enter a global community.

In the past few years, the School has undergone a period of rapid change and evolution. The British School of Bahrain is now a proud member of Inspired, and is benefitting from this diverse and innovative group of schools.

“

I am very happy that I placed my child in BSB from Nursery to Sixth Form. It is a school that allows them to explore and learn with peers from different nationalities.

“ World Scholars Cup has been an extremely memorable experience during my middle school years, as I was able to travel quite literally across the world, from China to New York, to participate in the competition. Apart from being able to see the many wonders of the world, debating itself has encouraged self-confidence and taught me vital public speaking skills that have stuck with me into 6th form and greatly boosted my willingness to be involved. ”
