

# AL SAHWA SCHOOLS

Al Sahwa Schools is an institution of national significance. Our learners study in single-gender groups with the aim of educating our fine students to be the leaders of the future, while maintaining their Omani values and tradition. Our country is a beacon of peace and is considered to be the jewel of the Middle East. Oman is blessed to be guided by the wisdom of His Majesty Sultan Qaboos bin Said Al Muatham, our benevolent leader and the enduring inspiration for all that we do.

Our students possess outstanding academic ability and practice 21st Century skills such as communication, collaboration, critical thinking and creativity. Through our programmes, we aim to develop principled and responsible citizens of the world. Our students are truly global citizens, fully prepared to support and lead Oman's rapid progress, while maintaining a global perspective.

Our curriculum emphasises skill development, ensuring that our students leave us well-equipped for life and able to flourish. As a result of our track record of academic excellence, holistic approach and a balance of skills and knowledge based education, the vast majority of our students end up with scholarships in Oman, UK and US.

Al Sahwa students have won Outstanding Cambridge Learner Awards every year these last few years and our GED results are also exceptional. The many successes are a result of the hard work and commitment our students have shown as well as the dedication of our talented teaching faculty.
