

ASPIRE ACHIEVE ADVANCE

SCHOOL'S VISION & MISSION

1. Our Vision

Our vision is that all pupils, whatever their ability, background or race will reach their full academic potential. Each individual will learn to be polite and show respect to others, learn to work in a team and collaborate with others and develop a strong set of values. All children will learn to take responsibility for their own learning and set themselves development goals. All children will develop their confidence and thrive in a culture of high expectations. We will help develop good citizens and potential leaders for the future.

2. Our Mission

It is our mission to provide the children with top quality facilities, a stimulating learning environment and a rich and varied educational program. We will ensure that the children have an enjoyable experience and are well behaved to support the learning of others. We will recruit well-qualified teachers with appropriate experience and we will ensure that they are well prepared to deliver a broad and stimulating curriculum. We will provide care and support for your child, every day, in every way.
