Interim Principal – Miss Clare Adams

Dear Candidate

## **A Very Warm Welcome to Parkfield School.**

Thank you for your interest in Parkfield School. As you may know, Parkfield School is an all-through (age 4 to 16) co-educational school offering a fresh approach and choice that allows pupils to discover learning, unlock their potential, find their place in their community and play their part in society.

Parkfield School offers a genuine alternative education and allows greater choice to the local communities of Bournemouth, Christchurch and Poole. In Reception the pupils will be taught using a blended method including the early excellence framework. At Key Stage 1 & 2 we offer a broad and balanced Primary Curriculum and in the Secondary sector of the school we offer an exciting range of GCSE courses.

Parkfield School offers a positive, safe learning environment for its community, in which everyone has equal and individual recognition and respect. We celebrate success and are committed to the continuous improvement and fulfilment of potential in every pupil regardless of their ability. We encourage increasing independence and self-discipline amongst the pupils helping them to develop the skills that they need to become life-long learners. Everyone within the school has an important role to play in sharing responsibility for the development of positive behaviour and attitudes.

At Parkfield School we aim to nurture, inspire and enable all of our pupils, giving them the skills and knowledge to achieve. We provide our pupils with the ability to excel in an increasingly complex global community, enabling them to develop into confident, compassionate and caring young people. We prepare them for a successful transition into further education, training or employment when they leave school.

Our commitment is:

- To provide a supportive environment and community that promotes development and learning.
- To provide an outstanding education for all pupils, regardless of their background where Visible Learning pedagogies are blended to provide a supportive structure to ensure academic excellence.
- To offer a caring staff body who support one and other to deliver great lessons.
- To develop our staff through effective and targeted CPD opportunities.

I look forward to receiving an application from you and finding out more about what you can offer the pupils at Parkfield School.

Yours faithfully

Miss Clare Adams  
Interim Principal
