

# May, Hassan and George are coming to Newington Academy

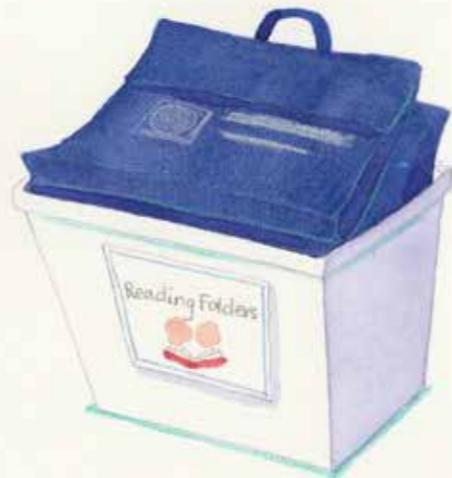

To make our best better

# What happens when I get to school?

When you get to school you will say good-bye to your grown-ups, and your teacher will take you into your classroom.

Then you put your coat on your coat peg and put your book bag away. If you have brought a packed lunch from home, you will put this on the trolley.

When everything has been put away, you will sit on the carpet, ready for your brilliant day at school to begin.

May, Hassan and George are sitting on the carpet with the other children in their class. "I wonder what we are going to do today?" asks Hassan. "I can't wait to find out!"

Are you looking forward to starting school?

# What will I do at school?

You are going to have lots of fun at school and learn new exciting things. Sometimes you will work with your teacher in a group, and sometimes you will choose what you would like to do.

You will make lots of friends in your new class too.

May is choosing a book about sea creatures to look at.

Hassan and George are playing with a new friend Joe. They are making some Play-doh cakes.

“Hello, my name is Hassan,” says Hassan.

“My name is George,” says George.

“My name is Joe. I love Play-doh,” says Joe.

Jack and Lewis are playing with sand.  
“Let’s make a castle,” says Jack.  
“Great. I love castles,” says Lewis.

Cassie, Jane and Louise are drawing and cutting shapes with their teacher.

“Lovely work girls. Well done,” says their teacher.

What are you looking forward to doing in the classroom?

# What will I do outside?

You will have lots of fun playing outside too. There is a brilliant woodland area, a water area, sand pit and beautiful garden area.

George, May and Hassan are looking for bugs outside. They are wearing their special 'school' wellies so they don't get their feet wet.

"Quick," says Hassan. "I have found a bug under this rock."

May and George rush over to have a look. They all love bug hunting!

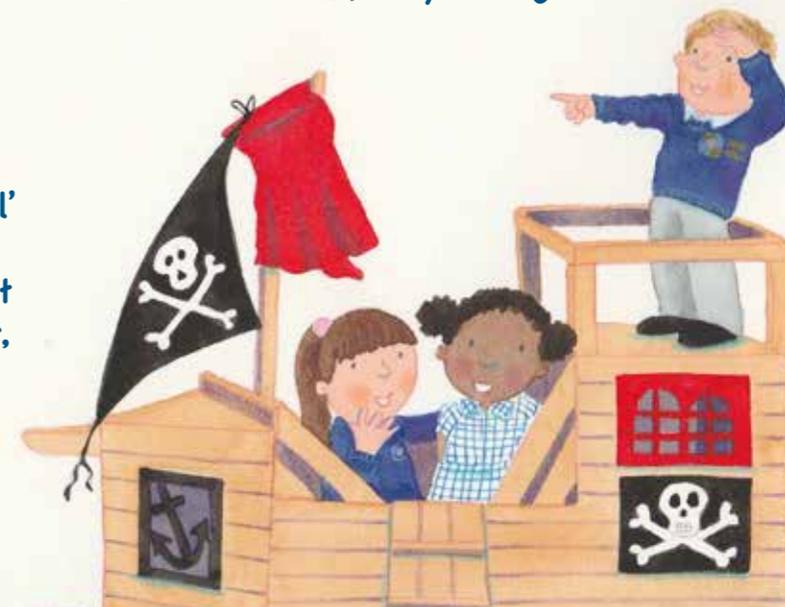

This is where you will leave your 'school' wellies. They stay at school so they are always ready for you to go outside. If it is raining or you are playing with water, you will also put on waterproof clothes so you always stay nice and dry.

Cassie, Kay and George are on the pirate ship.

"Look out for sharks," says Captain Cassie.

"I can see some," says George.

What do you like doing outside?

# What if I need the toilet?

If you are doing an activity with your teacher, you just need to let your them know that you need to go to the toilet. If you are doing an activity by yourself or with your friends, you don't need to ask and you can just go.

May is listening to a story on the carpet and she needs to go to the toilet. She puts her hand up to let her teacher know.

"Please may I go to the toilet?" she asks. Her teacher is very pleased that May asked so nicely and tells her she can go.

May loves the fishes which hang in the toilets.

"This is like going to my favourite place, 'The Deep'," she says.

When she has finished she flushes and leaves the toilet nice and clean for the next child.

She washes her hands carefully with soap and warm water and then dries them.

If she has an accident, she knows she can tell her teacher and it will be OK.

Can you go to the toilet by yourself?

## What if I am hungry or thirsty?

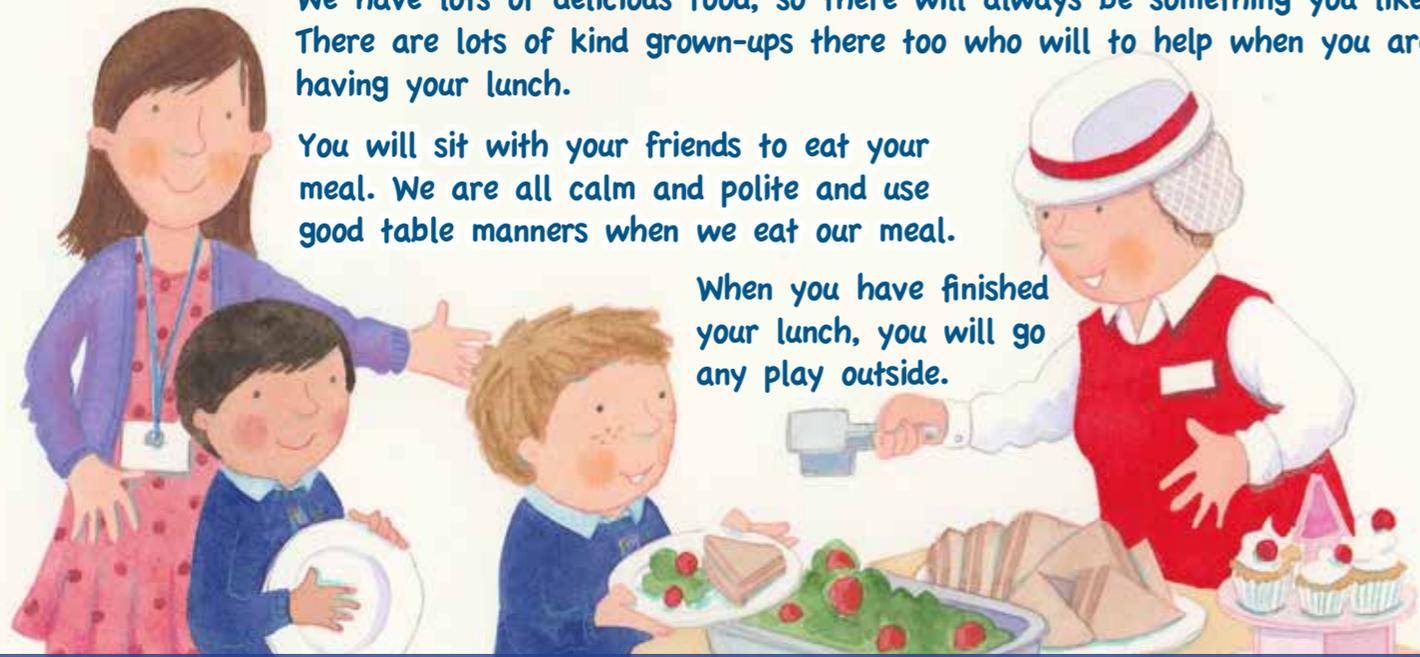

If you are hungry during the day, you can help yourself to a healthy snack. You can have milk or water to drink, and fruit, breadsticks or cereal to eat.

At lunchtime, your teacher will take you the lunch hall where you will have your lunch. You will have your lunch before the older children.

We have lots of delicious food, so there will always be something you like. There are lots of kind grown-ups there too who will help when you are having your lunch.

You will sit with your friends to eat your meal. We are all calm and polite and use good table manners when we eat our meal.

When you have finished your lunch, you will go any play outside.

What is your favourite meal?

## What happens at the end of the day?

At the end of the school day, you will fetch your belongings and put on your coat. Then you sit on the carpet and your teacher will read you a story. You will also have a chat about what you have been doing in the day.

The children can't wait to hear a story. May wants to tell her teacher about the book she looked at today, and her visit to 'The Deep'.

When it is time to go home your grown-ups will come to the door. When your teacher sees your grown-ups, they will call you and you can go home.
