

The Meadowhead Vision

At Meadowhead our vision is to **make a difference** to the lives of our young people. Through excellence and continual improvement, we aim to be the best we can possibly be for our current and future students. We are determined that all our students achieve their full potential and leave us as confident, compassionate and articulate individuals to grow and prosper in the 21st century.

We work in partnership with others to equip students with the skills, attitudes and qualifications needed to lead fulfilling lives and to become responsible adults. Through a skilfully planned curriculum, enrichment experiences, high standards in teaching and pastoral care we fully prepare our students for entrance to further and higher education, high quality employment and the future careers of their choice.

Our ambition is to develop and nurture young people to become well-rounded individuals with the characteristics to contribute fully to society with a strong sense of civic responsibility. We want to ensure that our students are equipped with the knowledge, understanding and skills to influence change and to improve their own lives, their local community and the planet. We aim to inspire young people to live sustainable lives and develop the green skills to tackle both the causes and the impact of climate change resulting in better futures for all.

Meadowhead Statement of Aims

It is our intention to create and maintain the kind of atmosphere in which young people will feel secure enough to develop their abilities, happy enough to take on new challenges and sufficiently stimulated to achieve their full potential. That working atmosphere is built upon high standards and expectations. We work in partnership with others to equip young people with the skills, attitudes and qualifications needed to secure successful careers and to become responsible adults in the future.
