

Dear Applicant,

On behalf of the Pax Christi Catholic Academy Trust I would like to thank you for applying for this opportunity within our Trust.

Our Trust comprises, at the moment, four primary academies and one secondary academy. Our aim is to deliver a first class education for all our students based on, and driven by, the teachings of the Catholic Church.

We firmly believe that basing all we do on the example of Christ empowers our staff to embrace change whilst retaining a clear focus on ensuring stability in the delivery of education to our students.

We aim to help our students to achieve the highest possible academic qualifications and guide them always to seek excellence in all they undertake.

Not only do we pursue excellence in the academic area but also in the development of the individual to be an outstanding member of the wider community in whatever they do. Caring, respecting and helping the disadvantaged is fundamental to this and we are proud of the efforts our students put into helping others locally, nationally and internationally.

In pursuit of excellence we expect a lot of our staff and believe that our staff should expect a lot from us. We are therefore committed to all staff being involved in our community and to developing individual skills for the benefit of our students.

We take great pride in our approach to inclusion. We value every child and are delighted to have a community that is very diverse in socio/economic, ethnic and faith/non-faith backgrounds. Whilst we are totally committed to the Catholic nature of the school, and expect all staff to be supportive of our Catholic Ethos, we are extremely proud of our student body which we believe reflects the society we live in.

Our staff are totally focussed on our students and are therefore committed to supporting each other with this common goal. We are grateful for their flexibility and "can do" attitude despite the continual change that we live with.

We demand excellence, community spirit, flexibility and a drive for continuous improvement and are excited at the prospect of developing all our students to the fullest extent of their individual potential.

We look forward to adding to our community and therefore thank you for your interest in joining our team. I hope you are successful in your application.

Yours sincerely

Reg Carter
Vice Chairman
